

## Autism support at your fingertips

Your Accolade Health Assistant and nurse can help you learn about employer-sponsored health benefits and resources that make it easier to find quality care and autism support.

## Healthcare navigation and benefits questions

- Find specialty care, including in-network
   ABA providers
- Insurance and benefits coverage
- Billing and claims issues

- Appointment scheduling
- Pre-certification questions
- Learn about member programs and community or national resources

## Accolade clinical team support

- Assistance in coordination of complex systems and doctors (evaluation process, treatment plan, ABA therapy, speech therapy, occupational therapy)
- Education about available treatments and resources
- Parent support of newly diagnosed children
- General mental health support

CALL 911 IF YOU ARE HAVING A MEDICAL EMERGENCY. Accolade and its affiliates ("Accolade") are not an emergency medical service. Accolade provides a personalized healthcare information service to support you to better understand and utilize your benefits, receive information from expert medical resources, and facilitate your access to medical care from various healthcare professionals, including virtual medical care services. Virtual medical care services offered by Accolade are provided through independent professional medical practices, including under the PlushCare brand, to which Accolade provides various platform and related services.
