PROCEDURES FOR USING THIS PLAN

PLEASE READ THE FOLLOWING INFORMATION SO YOU WILL KNOW FROM WHOM OR WHAT GROUP OF PROVIDERS HEALTH CARE MAY BE OBTAINED.

1. When you desire to obtain Plan Benefits from a Member Doctor, you should contact a Member Doctor or VSP. A list of names, addresses, and phone numbers of Member Doctors in your geographic location can be obtained from your Group, Plan Administrator, or VSP. If this list does not cover the geographic area in which you desire to seek services, you may call or write the VSP office nearest you to obtain one which does.
2. If you are eligible for Plan Benefits, VSP will provide Benefit Authorization directly to the Member Doctor. If you contact a Member Doctor directly, you must identify yourself as a VSP member so the doctor knows to obtain Benefit Authorization from VSP.
3. When such Benefit Authorization is provided by VSP and services are performed prior to the expiration date of the Benefit Authorization, this will constitute a claim against this plan in spite of your termination of coverage or the termination of this plan. Should you receive services from a Member Doctor without such Benefit Authorization or obtain services from a provider who is not a Member Doctor, you are responsible for payment in full to the provider.
4. You pay only the Copayment (if any) to the Member Doctor for the services covered by this plan. VSP will pay the Member Doctor directly according to their agreement with the doctor. VSP reimburses its Member Doctors on a fee-for-service basis. There are no incentives or financial bonuses paid to Member Doctors for services covered under this plan.

Note: If you are eligible for and obtain Plan Benefits from a Non-Member Provider, you should pay the provider his full fee. You will be reimbursed by VSP in accordance with the Non-Member Provider reimbursement schedule shown on the enclosed insert, less any applicable Copayments.

5. In emergency conditions, when immediate vision care of a medical nature such as for bodily trauma or disease is necessary, Covered Person can obtain covered services by contacting a Member Doctor (or Out-of-Network Provider if the attached Schedule of Benefits indicates Covered Person's Plan includes such coverage). No prior approval from VSP is required for Covered Person to obtain vision care for Emergency Conditions of a medical nature. However, services for medical conditions, including emergencies, are covered by VSP only under the Acute EyeCare and Primary EyeCare Plans. If coverage for one of these plans is not indicated on the attached Schedule of Benefits or Addendum, Covered Person is not covered by VSP for medical services and should contact a physician under Covered Person's medical insurance plan for care. For emergency conditions of a non-medical nature, such as lost, broken or stolen glasses, the Covered Person should contact VSP's Customer Service Department for assistance.

Emergency vision care is subject to the same benefit frequencies, plan allowances, Copayments and exclusions stated herein. Reimbursement to Member Doctors will be made in accordance with their agreement with VSP.

6. In the event of termination of a Member Doctor's membership in VSP, VSP will remain liable to the Member Doctor for services rendered to you at the time of termination and permit Member Doctor to continue to provide you with Plan Benefits until the services are completed or until VSP makes reasonable and appropriate arrangements for the provision of such services by another authorized doctor.

BENEFIT AUTHORIZATION PROCESS

VSP authorizes Plan Benefits according to the latest eligibility information furnished to VSP by Covered Person's Group and the level of coverage (i.e. service frequencies, covered materials, reimbursement amounts, limitations, and exclusions) purchased for Covered Person by Group under this Plan. When Covered Person requests services under this Plan, Covered Person's prior utilization of Plan Benefits will be reviewed by VSP to determine if Covered Person is eligible for new services based upon Covered Person's Plan's level of coverage. Please refer to the attached Schedule of Benefits for a summary of the level of coverage provided to Covered Person by Group.

BENEFITS AND COVERAGES

Through its Member Doctors, VSP provides Plan Benefits to Covered Persons, subject to the limitations, exclusions, and Copayment(s) described herein. When you wish to obtain Plan Benefits from a Member Doctor, you should contact the Member Doctor of your choice, identify yourself as a VSP member, and schedule an appointment. If you are eligible for Plan Benefits, VSP will provide Benefit Authorization for you directly to the Member Doctor prior to your appointment.

IMPORTANT: The benefits described below are typical services and materials available under most VSP plans. However, the actual Plan Benefits provided to you by your Group may be different. Refer to the attached Schedule of Benefits and/or Disclosure to determine your specific Plan Benefits.

1. **Eye Examination:** A complete initial vision analysis which includes an appropriate examination of visual functions, including the prescription of corrective eyewear where indicated. Each Covered Person is entitled to a Eye Examination as indicated on the enclosed insert.
2. **Lenses:** The Member Doctor will order the proper lenses necessary for your visual welfare. The doctor shall verify the accuracy of the finished lenses. Each Covered Person is entitled to new lenses as indicated on the enclosed insert.
3. **Frames:** The Member Doctor will assist in the selection of frames, properly fit and adjust the frames, and provide subsequent adjustments to frames to maintain comfort and efficiency. Each Covered Person is entitled to new frames as indicated on the enclosed insert.
4. **Contact lenses:** Unless otherwise indicated on the enclosed insert, contact lenses are available under this Plan in lieu of all other lens and frame benefits described herein.

When you obtain Necessary contact lenses from a Member Doctor, professional fees and materials will be covered as indicated on the enclosed insert.

When Elective contact lenses are obtained from a Member Doctor, VSP will provide an allowance toward the cost of professional fees and materials. A 15% discount shall also be applied to the Member Doctor's usual and customary professional fees for contact lens evaluation and fitting. Contact lens materials are provided at the Member Doctor's usual and customary charges.

5. If you elect to receive vision care services from one of the Member Doctors, Plan Benefits are provided subject only to your payment of any applicable Copayment. If your Plan includes Non-Member Provider coverage and you choose to obtain Plan Benefits from a Non-Member Provider, you should pay the Non-Member Provider his full fee. VSP will reimburse you in accordance with the reimbursement schedule shown on the enclosed insert, less any applicable Copayment. **THERE IS NO ASSURANCE THAT THE SCHEDULE WILL BE SUFFICIENT TO PAY FOR THE EXAMINATION OR THE MATERIALS.** Availability of services under the Non-Member Provider reimbursement schedule is subject to the same time limits and Copayments as those described for Member Doctor services. Services obtained from a Non-Member Provider are in lieu of obtaining services from a Member Doctor and count toward plan benefit frequencies.
6. **Low Vision Services and Materials** (applicable only if included in your Plan Benefits outlined on the enclosed insert): The Low Vision Benefit provides special aid for people who have acuity or visual field loss that cannot be corrected with regular lenses. If a Covered Person falls within this category, he or she will be entitled to professional services as well as ophthalmic materials including but not limited to supplemental testing, evaluations, visual training, low vision prescription services, plus optical and non-optical aids, subject to the frequency and benefit limitations as outlined on the enclosed insert. Consult your Member Doctor for details.

COPAYMENT

The benefits described herein are available to you subject only to your payment of any applicable Copayment(s) as described in this booklet and on the enclosed insert. **ANY ADDITIONAL CARE, SERVICE AND/OR MATERIALS NOT COVERED BY THIS PLAN MAY BE ARRANGED BETWEEN YOU AND THE DOCTOR.**

EXCLUSIONS AND LIMITATIONS OF BENEFITS

Some brands of spectacle frames may be unavailable for purchase as Plan Benefits, or may be subject to additional limitations. Covered Persons may obtain details regarding frame brand availability from their VSP Member Doctor or by calling VSP's Customer Care Division at (800) 877-7195.

This Plan is designed to cover *visual* needs rather than *cosmetic* materials. Covered Persons have the right to receive language interpreter services. When scheduling an appointment, they can tell the provider's office that they need an interpreter at the time of their visit.

COMPLAINTS AND GRIEVANCES

If Covered Person ever has a question or problem, Covered Person's first step is to call VSP's Customer Service Department. The Customer Service Department will make every effort to answer Covered Person's question and/or resolve the matter informally. If a matter is not initially resolved to the satisfaction of a Covered Person, the Covered Person may communicate a complaint or grievance to VSP orally or in writing by using the complaint form that may be obtained upon request from the Customer Service Department. Complaints and grievances include disagreements regarding access to care, or the quality of care, treatment or service. Covered Persons also have the right to submit written comments or supporting documentation concerning a complaint or grievance to assist in VSP's review. VSP will resolve the complaint or grievance within thirty (30) days after receipt.

Claim Payments and Denials

A. Initial Determination: VSP will pay or deny claims within thirty (30) calendar days of the receipt of the claim from the Covered Person or Covered Person's authorized representative. In the event that a claim cannot be resolved within the time indicated VSP may, if necessary, extend the time for decision by no more than fifteen (15) calendar days.

B. Request for Appeals: If a Covered Person's claim for benefits is denied by VSP in whole or in part, VSP will notify the Covered Person in writing of the reason or reasons for the denial. Within one hundred eighty (180) days after receipt of such notice of denial of a claim, Covered Person may make a verbal or written request to VSP for a full review of such denial. The request should contain sufficient information to identify the Covered Person for whom a claim for benefits was denied, including the name of the VSP Enrollee, Member Identification Number of the VSP Enrollee, the Covered Person's name and date of birth, the name of the provider of services and the claim number. The Covered Person may state the reasons the Covered Person believes that the claim denial was in error. The Covered Person may also provide any pertinent documents to be reviewed. VSP will review the claim and give the Covered Person the opportunity to review pertinent documents, submit any statements, documents, or written arguments in support of the claim, and appear personally to present materials or arguments. Covered Person or Covered Person's authorized representative should submit all requests for appeals to:

**VSP
Member Appeals
3333 Quality Drive
Rancho Cordova, CA 95670
(800) 877-7195**

VSP's determination, including specific reasons for the decision, shall be provided and communicated to the Covered Person within thirty (30) calendar days after receipt of a request for appeal from the Covered Person or Covered Person's authorized representative.

When Covered Person has completed all appeals mandated by the Employee Retirement Income Security Act of 1974 ("ERISA"), additional voluntary alternative dispute resolution options may be available, including mediation and arbitration. Covered Person should contact the U. S. Department of Labor or the State insurance regulatory agency for details. Additionally, under ERISA (Section 502(a)(1)(B)) [29 U.S.C. 1132(a)(1)(B)], Covered Person has the right to bring a civil (court) action when all available levels of denied claims, including the appeal process, have been completed, the claims were not approved in whole or in part, and Covered Person disagrees with the outcome.

ARBITRATION

Any dispute or question arising between VSP and Group or any Covered Person involving the application, interpretation, or performance under this plan shall be settled, if possible, by amicable and informal negotiations. This will allow such opportunity as may be appropriate under the circumstances for fact-finding and mediation. If any issue cannot be resolved in this fashion, it shall be submitted to arbitration. The procedure for arbitration hereunder shall be conducted pursuant to the Rules of the American Arbitration Association.

TERMINATION OF BENEFITS

Terms and cancellation conditions of this plan are shown on the enclosed insert. Plan Benefits will cease on the date of cancellation of this plan whether the cancellation is by Group or by VSP due to non-payment of Premium. If service is being rendered to you as of the termination date of this plan, such service shall be continued to completion, but in no event beyond six (6) months after the termination date of this plan.

INDIVIDUAL CONTINUATION OF BENEFITS

This program is available to groups of a minimum of ten (10) employees and is, therefore, not available on an individual basis. When a Group terminates its coverage, individual coverage is not available for Enrollees of the Group who may desire to retain their coverage.

THE CONSOLIDATED OMNIBUS BUDGET RECONCILIATION ACT OF 1985 (COBRA)

The Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA) requires that, under certain circumstances, health plan benefits available to an eligible Enrollee and his or her Eligible Dependents be made available for purchase by said persons upon the occurrence of a COBRA-qualifying event. If, and only to the extent COBRA applies, VSP shall make the statutorily-required continuation coverage available for purchase in accordance with COBRA.

VISION SERVICE PLAN ADDITIONAL BENEFIT RIDER SUPPLEMENTAL ESSENTIAL MEDICAL EYE CARE All non-COBRA divisions (0001, 0003, & 0006)

GENERAL

This Rider lists additional vision care benefits to which Covered Persons of VISION SERVICE PLAN ("VSP") are entitled, subject to any applicable Copayments and other conditions, limitations and/or exclusions stated herein. The Supplemental Essential Medical Eye Care benefit is designed for the detection, treatment and management of ocular conditions and/or systemic conditions which produce ocular or visual symptoms. Under the benefit, eye care professionals provide treatment and services for urgent ocular emergencies as well as the management of chronic systemic diseases that manifest in the eyes. This Rider forms a part of the Policy and Evidence of Coverage to which it is attached.

ELIGIBILITY

The following are Covered Persons under this Plan, pursuant to eligibility criteria established by Client:

- Enrollee
- Legal Spouse of Enrollee
- Domestic Partner
- Any child of Enrollee, including a natural child from the date of birth, legally adopted child from the date of placement for adoption with the Enrollee, or other child for whom a court or administrative agency holds the Enrollee responsible.

A dependent, unmarried child over the limiting age may continue to be eligible as a dependent if the child is incapable of self-sustaining employment because of mental or physical disability, and chiefly dependent upon Enrollee for support and maintenance.

Essential Medical Eye Care benefits are available to Covered Persons only after covered benefits under their group medical plan have been exhausted, or when Covered Person is not covered under a group medical plan.

Covered benefits include specific medical eye care procedure codes when appropriate for the optometric scope of licensure as well as the current laws, rules and regulations as determined by the State and Federal Government.

OBTAINING SUPPLEMENTAL ESSENTIAL MEDICAL EYE CARE SERVICES

COVERED PERSON HAS A GROUP MEDICAL PLAN

Supplemental Essential Medical Eye Care provides coverage for certain vision-related medical services as a supplement to Covered Person's group medical plan. Covered Persons should refer to the plan booklet, certificate of coverage or other benefits description for their group medical plan to determine available benefits and how to obtain medical plan benefits.

The eye care provider should first submit a claim to Covered Person's group medical plan when participating in the medical plan's network. Any amounts not paid by the primary medical plan may then be considered for payment by VSP. This process is referred to as Coordination of Benefits ("COB."). Please refer to the Coordination of Benefits section of Covered Person's Evidence of Coverage for additional information regarding COB.

COVERED PERSON DOES NOT HAVE A GROUP MEDICAL PLAN

The full allowance may be used toward the cost of surgery performed on one eye or both eyes. HOW DOES THE PLAN WORK?

STEP ONE: Call VSP's Customer Service Department at (800) 877-7195 to locate a Primary Eye Care Doctor and identify yourself as a Covered Person. Your VSP participating doctor may be a Laser Vision Correction Primary Eye Care Doctor. When you call Customer Service, you may verify your doctor's participation.

STEP TWO: Call a Laser Vision Correction Primary Eye Care Doctor and identify yourself as a Covered Person. Tell the doctor that you are using the Laser VisionCare benefit. The doctor will need your identification number (usually Social Security Number) and your group name.

STEP THREE: The doctor will perform an examination to determine if you are a candidate for Laser Vision Correction Surgery and discuss the benefits, risks and alternatives to surgery. If you wear contact lenses, you may need to see the Co-Manager several times before you are ready for surgery, to ensure your vision is stable. If you are a candidate for Laser Vision Correction Surgery, the Co-Manager will refer you to a Participating LVC Surgeon/Facility.

STEP FOUR: Make an appointment with the VSP Participating LVC Surgeon/Facility. Your doctor may schedule this appointment for you. This appointment is usually at a Participating LVC Facility. The Participating Surgeon will:

- Discuss the procedure and answer any questions
- Have you review and sign the informed consent documentation
- Perform the surgery

Prior to the surgery, the Participating LVC Facility will collect your share of the surgery fee.

STEP FIVE: Post-surgical care will be coordinated by your Primary Eye Care Doctor and Participating Surgeon. You will likely visit the doctor several times after the surgery to ensure your eyes heal properly.
