

Feel confident about your cancer treatment with a second opinion

Whether you have a new cancer diagnosis or have already begun treatment, 2nd.MD can connect you to a leading specialist for an expert second opinion. This service is offered at **NO ADDITIONAL COST** to you and eligible family members as part of your company benefits.

Our oncology services:

Verify that you're on an appropriate treatment or remission plan

Validate your pathology reports and disease stage

Learn about other treatment options, including genetic testing and clinical trials

Connect to specialists located throughout the U.S. who are experts in your type

Collaborate with your current oncologist, or find a new one in your network

Identify a Center of Excellence

How it works

1

Activate your account and request a consult

Call **1.866.841.2575**

Visit 2nd.MD/activate

2

Speak with a nurse

Connect with an experienced 2nd.MD oncology nurse. We'll collect your relevant medical records, including imaging and labs.

3

Consult with a leading specialist

Connect to an expert oncologist by video to discuss your diagnosis and treatment options from the comfort of home.

Experts in their field

2nd.MD oncologists are leaders in research and are up to date with the latest evidence-based treatment guidelines. Many are affiliated with top academic-based Comprehensive Cancer Centers throughout the U.S. and are involved in the development of new treatment and clinical trials in oncology.

CALL 911 IMMEDIATELY IF YOU ARE HAVING A MEDICAL EMERGENCY.

2nd.MD is not an emergency service. 2nd.MD is an independent resource to support you in receiving information from Expert Medical Specialists. 2nd.MD does not practice medicine or provide patient care and is independent from the Specialists providing the expert medical consultations.
