Kaiser members and those who have waived coverage have access to an Accolade Care Advocate and nurse who will take the time to get to know you and understand your needs, allowing them to connect you to valuable programs that make sense for you and help you get the most out of your benefits.

Accolade is a confidential health and benefits service provided by PayPal at no additional cost to you.

Connect with Accolade when you have questions about:

- Differences between an HMO, PPO or HDHP

- Symptoms and finding a location for care
- How to prepare for a doctor's visit or hospital stay
- Confusing medical bills (simply message us a picture of your bill)

"This benefit is so helpful! The [secure messaging] feature is great to be able to ask a question, and then be able to refer back to the conversation in the future. So much of health insurance is hard to understand, and [Accolade] makes things easy to follow."
