General Provisions

What Is the Certificate?

This certificate is a written document prepared by Prudential which tells you:

- the coverage to which you may be entitled;
- to whom Prudential will make a payment; and
- the limitations, exclusions and requirements that apply within a plan.

General Definitions used throughout this certificate include:

You means a person who is eligible for Prudential coverage.

We, us, and our means The Prudential Insurance Company of America.

Employee means a person who is in active employment with the Employer for the minimum hours requirement.

Insured means any person covered under a coverage.

Plan means a line of coverage under the Group Contract.

When Are You Eligible for Coverage?

If you are working for your Employer in a covered class, the date you are eligible for coverage is the later of:

- the plan's program date; and
- the day after you complete your **employment waiting period**.

Employment waiting period means the continuous period of time that you must be in a covered class before you are eligible for coverage under a plan. The period must be agreed upon by the Employer and Prudential.

When Does Your Coverage Begin?

When your Employer pays the entire cost of your coverage under a plan, you will be covered at 12:01 a.m. on the date you are eligible for coverage, provided you are in **active employment** on that date.

When you and your Employer share the cost of your coverage under a plan, you will be covered at 12:01 a.m. on the latest of:

- the date you are eligible for coverage, if you apply for insurance on or before that date;
- the date you apply for insurance, if you apply within 31 days after your eligibility date; or

- the date Prudential approves your application, if **evidence of insurability** is required.

Evidence of insurability is required if you:

- are a late applicant, which means you apply for coverage more than 31 days after the date you are eligible for coverage; or
- voluntarily canceled your coverage and are reapplying; or
- apply after any of your coverage ended because you did not pay a required contribution; or
- have not met a previous evidence requirement to become insured under any plan the Employer has with Prudential.

An evidence of insurability form can be obtained from your Employer.

Active employment means you are working for your Employer for earnings that are paid regularly and that you are performing with reasonable continuity the substantial and material acts necessary to pursue your usual occupation. You must be working at least 20 hours per week.

Your worksite must be:

- your Employer's usual place of business;
- an alternate work site at the direction of your Employer other than your home unless clear specific expectations and duties are documented; or
- a location to which your job requires you to travel.

Normal vacation is considered active employment.

Temporary and seasonal workers are excluded from coverage.

Individuals whose employment status is being continued under a severance or termination agreement will not be considered in active employment.

Evidence of insurability means a statement of your medical history which Prudential will use to determine if you are approved for coverage. Evidence of insurability will be provided at your own expense.

What If You Are Absent from Work on the Date Your Coverage Would Normally Begin?

If you are absent from work due to injury, sickness, temporary layoff or leave of absence your coverage will begin on the date you return to active employment.

Once Your Coverage Begins, What Happens If You Are Temporarily Not Working?

If you are on a temporary **layoff**, and if premium is paid, you will be covered to the end of the month following the month in which your temporary layoff begins.

If you are on a **leave of absence**, and if premium is paid, you will be covered to the end of the month following the month in which your leave of absence begins.

With respect to leave under the federal Family and Medical Leave Act of 1993 (FMLA) or similar state law, continuation of coverage under the plan during such leave will be governed by your Employer's policies regarding continuation of such coverage for FMLA leave purposes and any applicable law. Continuation of such coverage pursuant to this provision is contingent upon Prudential's timely receipt of premium payments and written confirmation of your FMLA leave by your Employer.

If you are working less than 20 hours per week, for reasons other than disability, and if premium is paid, you will be covered to the end of the month following the month in which your reduced hours begin.

Layoff or leave of absence means you are temporarily absent from active employment for a period of time that has been agreed to in advance in writing by your Employer, other than for reasons in connection with any severance or termination agreement. Your normal vacation time, any period of disability or FMLA leave is not considered a temporary layoff.

When Will Changes to Your Coverage Take Effect?

Once your coverage begins, any increased or additional coverage will take effect immediately upon the effective date of the change, if you are in active employment or if you are on a covered layoff or leave of absence. If you are not in active employment due to injury or sickness, any increased or additional coverage will begin on the date you return to active employment. An increase in your long term disability coverage may be subject to a pre-existing condition limitation as described in the plan. Any decrease in coverage will take effect immediately upon the effective date of the change. Neither an increase nor a decrease in coverage will affect a **payable claim** that occurs prior to the increase or decrease.

Payable claim means a claim for which Prudential is liable under the terms of the Group Contract.

When Does Your Coverage End?

Your coverage under the Group Contract or a plan ends on the earliest of:

- the date the Group Contract or a plan is canceled;
- the date you are no longer a member of the covered classes;
- the date your covered class is no longer covered;
- the last day of the period for which you made any required contributions;
- the last day you are in active employment except as provided under the temporary absence from work provisions; or
- the date you are no longer in active employment due to a disability that is not covered under the plan.

Does the Coverage under a Plan Replace or Affect any Workers' Compensation or State Disability Insurance?

The coverage under a plan does not replace or affect the requirements for coverage by workers' compensation or state disability insurance.

Does Your Employer Act as Prudential's Agent?

For purposes of the Group Contract, your Employer acts on its own behalf. Under no circumstances will your Employer be deemed the agent of Prudential.

Does This Certificate Address Any Rights to Other Benefits or Affect Your Employment with Your Employer?

This certificate sets forth only the terms and conditions for coverage and receipt of benefits for Long Term Disability. It does not address and does not confer any rights, or take away any rights, if any, to other benefits or employment with your Employer. Your rights, if any, to other benefits or employment are solely determined by your Employer. Prudential plays no role in determining, interpreting, or applying any such rights that may or may not exist.

How Can Statements Made in Your Application for this Coverage be Used?

Prudential considers any statements you or your Employer make in a signed application for coverage a representation and not a warranty. If any of the statements you or your Employer make are not complete and/or not true at the time they are made, we can:

- reduce or deny any claim; or
- cancel your coverage from the original effective date.

If a statement is used in a contest, a copy of that statement will be furnished to you or, in the event of your death or incapacity, to your eligible survivor or personal representative.

A statement will not be contested after the amount of insurance has been in force, before the contest, for at least two years during your lifetime.

We will use only statements made in a signed application as a basis for doing this.

If the Employer gives us information about you that is incorrect, we will:

- use the facts to decide whether you have coverage under the plan and in what amounts; and
- make a fair adjustment of the premium.

Long Term Disability Coverage

BENEFIT INFORMATION

When Are You Disabled?

You are disabled when you are either ***totally disabled*** or ***partially disabled***.

The loss of a professional or occupational license or certification does not, in itself, constitute disability.

Physical Examination:

Prudential, at our expense, shall have the right and opportunity to examine you when and as often as we may reasonably require during the pendency of a claim.

Refusal to be examined may result in denial or termination of your claim.

When Are You Totally Disabled?

You are totally disabled when as a result of your ***sickness*** or ***injury***:

- you are unable to perform with reasonable continuity the ***substantial and material acts*** necessary to pursue your ***usual occupation***; and
- you are not working in your usual occupation.

After 24 months of payments, you are totally disabled when, as a result of the same sickness or injury, you are unable to engage with reasonable continuity in any occupation in which you could reasonably be expected to perform satisfactorily in light of your age, education, training, experience, station in life, and physical and mental capacity.

Sickness means any disorder of your body or mind, but not an injury; pregnancy including abortion, miscarriage or childbirth. Disability must begin while you are covered under the plan.

Injury means physical harm or damage to the body. Injury which occurs before you are covered under the plan will be treated as a sickness. Disability must begin while you are covered under the plan.

Substantial and material acts means the important tasks, functions and operations generally required by employers from those engaged in your usual occupation that cannot be reasonably omitted or modified. In determining what substantial and material acts are necessary to pursue your usual occupation, we will first look at the specific duties required by your Employer or job. If you are unable to perform one or more of these duties with reasonable continuity, we will then determine whether those duties are customarily required of other employees or individuals engaged in your usual occupation. If any specific, material duties required of you by your Employer or job differ from the material duties customarily required of other employees or individuals engaged in your usual occupation, then we will not consider those duties in determining what substantial and material acts are necessary to pursue your usual occupation.

Usual occupation means any employment, business, trade or profession and the substantial and material acts of the occupation you were regularly performing for your Employer when the disability began. Usual occupation is not necessarily limited to the specific job you performed for your Employer.

When Are You Partially Disabled?

You are partially disabled when:

- you are not totally disabled; and
- while actually working in your usual occupation, and as a result of your sickness or injury, you are unable to earn 80% or more of your **indexed monthly earnings**.

After 24 months of payments, you are partially disabled when:

- you are not totally disabled; and
- while actually working in an occupation, and as a result of the same sickness or injury, you are unable to engage with reasonable continuity in that or any other occupation in which you could reasonably be expected to perform satisfactorily in light of your age, education, training, experience, station in life, and physical and mental capacity.

Indexed monthly earnings means your monthly earnings as adjusted on each July 1 provided you were disabled for all of the 12 months before that date. Your monthly earnings will be adjusted on that date by the current annual percentage increase in the Consumer Price Index. Your indexed monthly earnings may increase or remain the same, but will never decrease.

The Consumer Price Index (CPI-W) is published by the U.S. Department of Labor. Prudential reserves the right to use some other similar measurement if the Department of Labor changes or stops publishing the CPI-W.

Indexing is only used to determine your percentage of lost earnings while you are disabled and working.

How Long Must You Be Disabled Before Your Benefits Begin?

You must be continuously disabled through your **elimination period**. Prudential will treat your disability as continuous if your disability stops for 30 days or less during the elimination period. The days that you are not disabled will not count toward your elimination period.

Your elimination period is the longer of 180 days and the length of time for which you receive short term disability benefits.

Elimination period means a period of continuous disability which must be satisfied before you are eligible to receive benefits from Prudential.

Can You Satisfy Your Elimination Period If You Are Working?

Yes. If you are working while you are disabled, the days you are disabled will count toward your elimination period.

When Will You Begin to Receive Disability Payments?

You will begin to receive payments when we receive due written proof of loss, providing the elimination period has been met. We will send you a payment each month for any period for which Prudential is liable.

How Much Will Prudential Pay If You Are Disabled and Not Working?

We will follow this process to figure out your **monthly payment**:

1. If you are enrolled for Option 1, multiply your monthly earnings by 60%. But, if you are enrolled for Option 2, multiply your monthly earnings by 70%.
2. The maximum **monthly benefit** is \$25,000.00.
3. Compare the answer in item 1 with the maximum monthly benefit. The lesser of these two amounts is your **gross disability payment**.
4. Subtract from your gross disability payment any **deductible sources of income**.

That amount figured in item 4 is your monthly payment.

After the elimination period, if you are disabled for less than 1 month, we will send you 1/30th of your payment for each day of disability.

Monthly payment means your payment after any deductible sources of income have been subtracted from your gross disability payment.

Monthly benefit means the total benefit amount for which you are insured under this plan subject to the maximum benefit.

Gross disability payment means the benefit amount before Prudential subtracts deductible sources of income and disability earnings.

Deductible sources of income means income from deductible sources listed in the plan that you receive while you are disabled. This income will be subtracted from your gross disability payment.

What Are Your Monthly Earnings?

Monthly earnings means your gross monthly income from your Employer in effect just prior to your date of disability. It does not include income received from commissions, bonuses, overtime pay, any other extra compensation, or income received from sources other than your Employer.

What Will We Use to Determine Monthly Earnings If You Become Disabled During a Covered Layoff or Leave of Absence?

If you become disabled while you are on a covered layoff or leave of absence, we will use your monthly earnings from your Employer in effect just prior to the date your absence begins.

How Much Will Prudential Pay If You Work While You Are Disabled?

If you work while you are disabled, we will follow this process to figure out your monthly payment:

1. If you are enrolled for Option 1, multiply your monthly earnings by 60%. But, if you are enrolled for Option 2, multiply your monthly earnings by 70%.
2. The maximum monthly benefit is \$25,000.00.
3. Compare the answer in item 1 with the maximum monthly benefit. The lesser of these two amounts is your gross disability payment.
4. Subtract from your gross disability payment any deductible sources of income. This is your monthly payment.
5. Your monthly payment will be adjusted by any **disability earnings** as follows:
 - (a) During the first 24 months of payments, while working, add your monthly disability earnings to your gross disability payment.

If the answer from 5(a) is less than or equal to 100% of your indexed monthly earnings, Prudential will not further reduce your monthly payment.

If the answer from 5(a) is more than 100% of your indexed monthly earnings, Prudential will subtract the amount over 100% from your monthly payment.

- (b) If you are enrolled for Option 1, after 24 months of payments, while working, we will subtract 60% of your monthly disability earnings from your monthly payment. But, if you are enrolled for Option 2, after 24 months of payments, while working, we will subtract 70% of your monthly disability earnings from your monthly payment.

Prudential may require you to send proof of your monthly disability earnings on a monthly basis. As part of your proof of disability earnings, we can require that you send us appropriate financial records, including copies of your IRS federal income tax return, W-2's and 1099's, which are necessary to substantiate your income.

After the elimination period, if you are disabled for less than 1 month, we will send you 1/30th of your payment for each day of disability.

Disability earnings means the earnings which you receive for work performed while you are disabled and working for:

- your Employer; or
- another employer, but only if you became employed after your disability began.

Salary continuance paid to supplement your disability earnings will not be considered payment for work performed.

What Are Deductible Sources of Income?

Prudential will deduct from your gross disability payment the following deductible sources of income:

1. The amount that you receive as temporary disability benefits under a workers' compensation law.
2. The amount that you receive under an occupational disease law, or any other **act** or **law** with similar intent, other than workers' compensation.
3. The amount that you receive as loss of time disability income payments under any state compulsory benefit act or law.
4. The amount that you receive as loss of time disability income payments under any governmental retirement system as the result of your job with your Employer.
5. The amount that you, your spouse and children receive as loss of time disability payments because of your disability under:
 - (a) the United States Social Security Act;
 - (b) the Railroad Retirement Act;
 - (c) the Canada Pension Plan;
 - (d) the Quebec Pension Plan; or
 - (e) any similar **plan** or **act**.

Amounts paid to your former spouse or to your children living with such spouse will not be included.

6. The amount that you receive as retirement payments or the amount your spouse and children receive as retirement payments because you are receiving payments under:
 - (a) the United States Social Security Act;
 - (b) the Railroad Retirement Act;
 - (c) the Canada Pension Plan;
 - (d) the Quebec Pension Plan; or
 - (e) any similar plan or act.

Amounts paid to your former spouse or to your children living with such spouse will not be included.

7. The amount that you receive as disability payments under your Employer's **retirement plan**. These payments will be those benefits which are paid due to disability and do not reduce the retirement benefit which would have been paid if the disability had not occurred.

No reductions will be made for amounts rolled over or transferred to an eligible retirement plan. Prudential will use the definition of eligible retirement plan as defined in Section 402 of the Internal Revenue Code including any future amendments which affect the definition.

8. The amount that you receive as retirement benefits, to the extent they are funded by Employer contributions, if they are from an insurance, annuity or pension contract, or a welfare or other employee benefit plan. However, this does not include benefits for any month before you reach normal retirement age, as defined in your Employer's retirement plan, unless you choose to receive benefits for that month. Disability benefits which reduce the retirement benefit under the plan will also be considered as retirement benefits.
9. The amount you receive under the maritime doctrine of maintenance, wages and cure. This includes only the "wages" part of such benefits.
10. The amount that you receive, due to your disability, from a third party (after subtracting attorney's fees) by judgment, settlement or otherwise.
11. The amount of loss of time benefits that you receive under any **salary continuation or accumulated sick leave**.

With the exception of retirement payments, Prudential will only subtract deductible sources of income which are payable as a result of the same disability.

We will not reduce your payment by your Social Security income if your disability begins after age 65 and you were already receiving Social Security retirement payments.

If you are eligible for benefits under items 3 or 5 above, your payments will be reduced by an estimated benefit amount as described in the "What If You Qualify for Deductible Income Benefits?" section.

Law, plan or act means the original enactment of the law, plan or act and all amendments.

Retirement plan means a defined contribution plan or defined benefit plan. These are plans which provide retirement benefits to employees and are not funded entirely by employee contributions.

Salary continuation or accumulated sick leave means continued payments to you by your Employer of all or part of your monthly earnings, after you become disabled as defined by the Group Contract. This continued payment must be part of an established plan maintained by your Employer for the benefit of an employee covered under the Group Contract. Salary continuation or accumulated sick leave does not include compensation paid to you by your Employer for work you actually perform after your disability begins. Such compensation is considered disability earnings, and would be taken into account as such, in calculating your monthly payment.

What Are Not Deductible Sources of Income?

Prudential will not deduct from your gross disability payment income you receive from, but not limited to, the following sources:

- 401(k) plans;
- profit sharing plans;

- thrift plans;
- tax sheltered annuities;
- stock ownership plans;
- non-qualified plans of deferred compensation;
- pension plans for partners;
- military pension and disability income plans;

What If Subtracting Deductible Sources of Income Results in a Zero Benefit? (Minimum Benefit)

The minimum monthly payment is \$100.00.

What Happens When You Receive Certain Increases from Deductible Sources of Income?

Once Prudential has subtracted any deductible source of income from your gross disability payment, Prudential will not further reduce your payment:

- due to a cost of living increase from that source; or
- by the amount of any increase in your Social Security income.

What If You Qualify for Deductible Income Benefits?

If you are eligible for benefits under items 3 or 5 in the deductible sources of income section, you are obligated to apply for such benefits. If you have not applied for those benefits, or if you have failed to pursue them with reasonable diligence, and Prudential has a reasonable, good faith belief that you are entitled to such benefits, your payments will be reduced by an estimated benefit amount.

For item 3, Prudential will use the state disability statutes as a means of reasonably estimating the amount payable. For item 5, Prudential will use the Social Security tables as a means of reasonably estimating the amount payable.

If your payment has been reduced by an estimated amount, your payment will be adjusted when we receive proof:

- of the amount awarded; or
- that benefits have been denied and all required appeals have been completed. In this case, a lump sum refund of the estimated amount will be made to you.

What Happens If You Receive a Lump Sum Payment?

If you receive a lump sum payment from any deductible source of income, the lump sum will be pro-rated on a monthly basis over the time period for which the sum was given. If no time period is stated, we will use a reasonable one.

How Long Will Prudential Continue to Send You Payments?

Prudential will send you a payment each month up to the *maximum period of payment*. Your maximum period of payment is:

Your Age on Date Disability Begins	Your Maximum Period of Benefits
Under age 61	To your normal retirement age*, but not less than 60 months
Age 61	To your normal retirement age*, but not less than 48 months
Age 62	To your normal retirement age*, but not less than 42 months
Age 63	To your normal retirement age*, but not less than 36 months
Age 64	To your normal retirement age*, but not less than 30 months
Age 65	24 months
Age 66	21 months
Age 67	18 months
Age 68	15 months
Age 69 and over	12 months

***Your normal retirement age is your retirement age under the Social Security Act where retirement age depends on your year of birth.**

We will stop sending you payments on the date you fail to submit proof of continuing disability in accordance with the rules in the CLAIM INFORMATION section.

We will stop sending you payments and your claim will end on the earliest of the following:

1. The end of the maximum period of payment.
2. The date you are no longer disabled under the terms of the plan.
3. The date your monthly disability earnings exceed 80% of your indexed monthly earnings. But, if your disability earnings are expected to fluctuate widely from month to month, then, for the purpose of this item 3, your monthly disability earnings means the average of your disability earnings over the most recent 3 months.
4. The date you die.

Maximum period of payment means the longest period of time Prudential will make payments to you for any one period of disability.

What Disabilities Have a Limited Pay Period Under Your Plan?

Disabilities which are primarily due to **mental illness** have a limited pay period during your lifetime.

The limited pay period for disabilities which are primarily due to mental illness is 24 months during your lifetime.

Prudential will continue to send you payments for disabilities primarily due to mental illness beyond the 24 month period if you meet one or both of these conditions:

1. If you are **confined** to a **hospital or institution** at the end of the 24 month period, Prudential will continue to send you payments during your **confinement**.

If you are still disabled when you are discharged, Prudential will send you payments for a recovery period of up to 90 days.

If you become reconfined at any time during the recovery period and remain confined for at least 14 days in a row, Prudential will send payments during that additional confinement and for one additional recovery period up to 90 more days.

2. In addition to item 1, if, after the 24 month period for which you have received payments, you continue to be disabled and subsequently become confined to a hospital or institution for at least 14 days in a row, Prudential will send payments during the length of the confinement.

Prudential will not pay beyond the limited pay period as indicated above, or the maximum period of payment, whichever occurs first.

Prudential will not apply the mental illness limitation to dementia if it is a result of:

- stroke;
- trauma;
- viral infection;
- Alzheimer's disease; or
- other conditions not listed which are not usually treated by a mental health provider or other qualified provider using psychotherapy, psychotropic drugs, or other similar methods of treatment as standardly accepted in the practice of medicine.

Mental illness means a psychiatric or psychological condition regardless of cause. Mental illness includes but is not limited to schizophrenia, depression, manic depressive or bipolar illness, anxiety, somatization, substance related disorders and/or adjustment disorders or other conditions. These conditions are usually treated by a mental health provider or other qualified provider using psychotherapy, psychotropic drugs, or other similar methods of treatment as standardly accepted in the practice of medicine.

Confined or confinement for this section means a hospital stay of at least 8 hours per day.

Hospital or institution means an accredited facility licensed to provide care and treatment for the condition causing your disability.

What Disabilities Are Not Covered Under Your Plan?

Your plan does not cover any disabilities caused by, contributed to by, or resulting from your:

- intentionally self-inflicted injuries;
- active participation in a riot; or
- commission of a felony for which you have been convicted under state or federal law.

Your plan does not cover a disability due to war, declared or undeclared, or any act of war.

Prudential will not make a payment for any period of disability during which you are incarcerated as a result of a conviction.

What Happens If You Return to Work Full Time and Your Disability Occurs Again?

If you have a **recurrent disability**, we will treat your disability as part of your prior claim and you will not have to complete another elimination period if:

- you were continuously insured under this plan for the period between your prior claim and your current disability; and
- your recurrent disability occurs within 6 months of the end of your prior claim.

Your recurrent disability will be subject to the same terms of the plan as your prior claim. Any disability which occurs after 6 months from the date your prior claim ended will be treated as a new claim. The new claim will be subject to all of the plan provisions.

If you become covered under any other group long term disability plan, you will not be eligible for payments under the Prudential plan.

Recurrent disability means a disability which is:

- caused by a worsening in your condition; and
 - due to the same cause(s) as your prior disability for which Prudential made a Long Term Disability payment.

What Benefits Will be Provided to Your Family If You Die? (Survivor Benefit)

When Prudential receives proof that you have died, we will pay your **eligible survivor** a lump sum benefit equal to 3 months of your gross disability payment if, on the date of your death:

- your disability had continued for 180 or more consecutive days; and

If you have no eligible survivors, payment will be made to your estate.

CLAIM INFORMATION

When Do You Notify Prudential of a Claim?

You must send Prudential written notice of your claim within 20 days after the date your disability begins. If it is not possible to give notice within 20 days, it must be given as soon as is reasonably possible.

We encourage you to notify us of your claim as soon as possible, so that a claim decision can be made in a timely manner.

The claim form is available from your Employer, or you can request a claim form from us. If you do not receive the form from Prudential within 15 days of your request, send Prudential written proof of claim without waiting for the form.

You must notify us immediately when you return to work in any capacity.

How Do You File a Claim?

You and your Employer must fill out your own section of the claim form and then give it to your attending doctor. Your doctor should fill out his or her section of the form and send it directly to Prudential.

What Information Is Needed as Proof of Your Claim?

You must send Prudential written proof of your claim no later than 90 days after the end of the period for which Prudential is liable. If it is not possible to give proof within 90 days, it must be given no later than 1 year after the time proof is otherwise required except in the absence of legal capacity.

Your proof of claim, provided at your expense, must show:

1. That you are under the **regular care** of a **doctor**.
2. The appropriate documentation of your monthly earnings.
3. The date your disability began.
4. Appropriate documentation of the disabling disorder.
5. The extent of your disability, including restrictions and limitations preventing you from performing your usual occupation or any occupation in which you could reasonably be expected to perform satisfactorily in light of your age, education, training, experience, station in life, and physical and mental capacity.
6. The name and address of any **hospital or institution** where you received treatment for your disability, including all attending doctors.
7. The name and address of any doctor you have seen regarding your disability.

We may request that you send satisfactory proof of continuing disability. Prudential will determine whether satisfactory proof of disability has been submitted in accordance with the rules in this section and applicable California law. This proof, provided at your expense, must be received no later than 90 days after the end of each monthly period for which Prudential is liable. If it is not possible to give proof within 90 days, it must be given no later than 1 year after the time proof is otherwise required except in the absence of legal capacity.

If necessary to determine your eligibility for benefits, you will be required to give Prudential authorization to obtain additional medical information, and to provide non-medical information as part of your proof of claim, or proof of continuing disability. Prudential will deny your claim or stop sending you payments if the required information is not submitted and such failure to submit the required information is unreasonable.

Regular care means:

- you personally visit a doctor as frequently as is medically required, according to generally accepted medical standards, to effectively manage and treat your disabling condition(s); and
- you are receiving appropriate treatment and care, which conforms with generally accepted medical standards, for your disabling condition(s) by a doctor whose specialty or experience is appropriate for your disabling condition(s), according to generally accepted medical standards.

Doctor means a person who is performing tasks that are within the limits of his or her medical license, and:

- is licensed to practice medicine and prescribe and administer drugs or to perform surgery; or
- has a doctoral degree in Psychology (Ph.D. or Psy.D.) whose primary practice is treating patients; or
- is a legally qualified medical practitioner according to the laws and regulations of the governing jurisdiction.

Prudential will not recognize any relative including, but not limited to, you, your spouse, or a child, brother, sister, or parent of you or your spouse as a doctor for a claim that you send to us.

Hospital or institution means an accredited facility licensed to provide care and treatment for the condition causing your disability.

How Will Prudential Determine Your Eligibility for Benefits?

Prudential, and not your Employer or plan administrator, has the responsibility to fairly, thoroughly, objectively and timely investigate, evaluate and determine your eligibility for benefits for any claim you make under the Group Contract. Prudential will:

1. consider and interpret the Group Contract and all information obtained by us and submitted by you that relates to your claim for benefits; and
2. make our determination of your eligibility for benefits based on that information and in accordance with the Group Contract and applicable law.

Who Will Prudential Make Payments To?

Prudential will make payments to you.

What Happens If Prudential Overpays Your Claim?

Prudential has the right to recover any overpayments due to:

- fraud;
- any error Prudential makes in processing a claim; and
- your receipt of deductible sources of income.

You must reimburse us in full. We will determine the method by which the repayment is to be made.

Prudential will not recover more money than the amount we paid you.

What Are the Time Limits for Legal Proceedings?

You can start legal action regarding your claim 60 days after proof of claim has been given and up to 3 years from the time proof of claim is required, unless otherwise provided under federal law.

How Will Prudential Handle Insurance Fraud?

Prudential promises to focus on all means necessary to support fraud detection, investigation and prosecution.

Any person who knowingly presents a false or fraudulent claim for the payment of a loss is guilty of a crime and may be subject to fines and confinement in state prison.

Prudential will pursue all appropriate legal remedies in the event of insurance fraud.

Plan Sponsor's Designation of Prudential As Claims Administrator

It is the Plan Sponsor's intention and direction that The Prudential Insurance Company of America as Claims Administrator has the sole discretion to interpret the terms of the plan, to make factual findings, and to determine eligibility for benefits. The Plan Sponsor has determined that benefits are payable under the plan only if The Prudential Insurance Company of America, in its sole discretion, determines that they are due. * This paragraph does not apply to residents of AK, AR, CA, CO, DC, IL, KY, MD, ME, MI, NJ, NY, OR, PR, RI, SD, TX, VT, WA

Plan Sponsor, Policyholder and Employer not Agents of Prudential

The Group Contract underwritten by The Prudential Insurance Company of America provides insured benefits under your Employer/Policyholder/Plan Sponsor's ERISA plan(s). For all purposes associated with the plan or the Group Contract under which The Prudential Insurance Company of America provides benefits, the Employer/Policyholder/Plan Sponsor acts on its own behalf or as an agent of its employees. Under no circumstances will the Employer/Policyholder/Plan Sponsor be deemed the agent of The Prudential Insurance Company of America, absent a written authorization of such status executed between the Employer/Policyholder/Plan Sponsor and The Prudential Insurance Company of America. Nothing in these documents shall, of themselves, be deemed to be such a written authorization.

Allocation of Contributions

The insurance benefit coverages described in this Booklet are being offered to you under a single ERISA plan. Coverages described as non-contributory or as being paid entirely by the Employer/Policyholder/Plan Sponsor (if any) are those paid for directly by the Employer/Policyholder/Plan Sponsor such that you have no out of pocket expense for such coverages. However, the premium rate that the Employer/Policyholder/Plan Sponsor pays for insurance coverage offered to you under the Plan may be determined, or in some cases, reduced, in part, based on your contributions for other coverages or other benefits offered under the Plan. When this occurs, your contributions for one benefit coverage may cover some or all of the costs or plan expenses for another benefit coverage offered to you under the Plan.

Loss of Benefits

You must continue to be a member of a class of eligible employees or beneficiaries to which the plan pertains and continue to make any contributions or payments that are due, including those you agreed to when you enrolled for coverage. Failure to make required contributions may result in partial or total loss of your benefits.

Plan Sponsor May Amend or Terminate the Plan at any Time

It is intended that this plan will be continued for an indefinite period of time. But, the Plan Sponsor reserves the right to change or terminate the plan at any time. This Booklet elsewhere describes your rights upon termination of the plan.

Claim Procedures

1. Determination of Benefits

Prudential shall notify you of the claim determination within 45 days of the receipt of your claim. This period may be extended by 30 days if such an extension is necessary due to matters beyond the control of the plan. A written notice of the extension, the reason for the extension and the date by which the plan expects to decide your claim, shall be furnished to you within the initial 45-day period. This period may be extended for an additional 30 days beyond the original 30-day extension if necessary due to matters beyond the control of the plan. A written notice of the additional extension, the reason for the additional extension and the date by which the plan expects to decide on your claim, shall be furnished to you within the first 30-day extension period if an additional extension of time is needed. However, if a period of time is extended due to your failure to submit information necessary to decide the claim, the period for making the benefit determination by Prudential will be tolled (i.e., suspended) from the date on which the notification of the extension is sent to you until the earlier of the date on which you respond to the request for additional information, or the 45th day following the expiration of the initial 45-day claim review period.

If your claim for benefits is denied, in whole or in part, you or your authorized representative will receive a written notice from Prudential of your denial. The notice will include:

- (a) the specific reason(s) for the denial, which will include a discussion of the decision describing, if applicable, the basis for disagreeing with or not following (i) the views of healthcare professionals treating you and vocational experts who evaluated you, (ii) the views of medical or vocational experts whose advice was obtained on behalf of the plan in connection with your adverse benefit determination, without regard to whether the advice was relied upon in making the benefit determination, and (iii) an award of Social Security Administration disability benefits,
- (b) references to the specific plan provisions on which the benefit determination was based,
- (c) a description of any additional material or information necessary for you to perfect a claim and an explanation of why such information is necessary,
- (d) a statement that you are entitled to receive, upon request and free of charge, reasonable access to, and copies of, all documents, records, and other information relevant to your claim for benefits,
- (e) a description of Prudential's appeals procedures and applicable time limits, including a statement of your right to bring a civil action under section 502(a) of ERISA following your appeals,
- (f) a statement that, if an adverse benefit determination is based on a medical necessity or experimental treatment or similar exclusion or limit, an explanation of the scientific or clinical judgment for the determination will be provided free of charge upon written request, and

- (g) copies of any internal rules, guidelines, protocols, standards or other similar criteria relied upon in making this determination or, alternatively, a statement that such rules, guidelines, protocols, standards or other similar criteria do not exist.

2. Appeals of Adverse Determination

If your claim for benefits is denied, you or your representative may appeal your denied claim in writing to Prudential within 180 days of the receipt of the written notice of denial or 180 days from the date such claim is deemed denied. Similarly, if Prudential does not decide your claim within the time described in Section 1 above, you may appeal, although you are not required to do so. You may submit with your appeal any written comments, documents, records and any other information relating to your claim. Upon your request, you will also have access to, and the right to obtain copies of, all documents, records and information relevant to your claim free of charge.

A full review of the information in the claim file and any new information submitted to support the appeal will be conducted by Prudential, utilizing individuals not involved in the initial benefit determination. This review will not afford any deference to the initial benefit determination.

Prudential shall make a determination on your appeal within 45 days of the receipt of your appeal request. This period may be extended by up to an additional 45 days if Prudential determines that special circumstances require an extension of time. A written notice of the extension, the reason for the extension and the date that Prudential expects to render a decision shall be furnished to you within the initial 45-day period. However, if the period of time is extended due to your failure to submit information necessary to decide the appeal, the period for making the benefit determination will be tolled (i.e., suspended) from the date on which the notification of the extension is sent to you until the earlier of the date on which you respond to the request for additional information or the 45th day from the expiration of the initial 45-day appeal review period.

Prudential will provide you, free of charge and prior to any adverse decision on appeal, with any new or additional evidence that is considered by Prudential in connection with the claim (including evidence that may be the basis for denial as well as any evidence that may support granting the claim), and any new or additional rationale that will form the basis for the Prudential's decision on appeal. Any such evidence will be provided as soon as possible and sufficiently in advance of the date on which the notice of adverse benefit determination must be provided in order to give you a reasonable opportunity to respond prior to that date.

If the appeal is denied in whole or in part, you will receive a written notification from Prudential of the denial. The notice will include:

- (a) the specific reason(s) for the adverse determination, which will include a discussion of the decision describing, if applicable, the basis for disagreeing with or not following (i) the views of healthcare professionals treating you and vocational experts who evaluated you, (ii) the views of medical or vocational experts whose advice was obtained on behalf of the plan in connection with your adverse benefit determination, without regard to whether the advice was relied upon in making the benefit determination, and (iii) an award of Social Security Administration disability benefits,
- (b) references to the specific plan provisions on which the determination was based,

- (c) a statement that you are entitled to receive upon request and free of charge reasonable access to, and make copies of, all records, documents and other information relevant to your benefit claim upon request,
- (d) a description of Prudential's review procedures and applicable time limits,
- (e) a statement that if an adverse benefit determination is based on a medical necessity or experimental treatment or similar exclusion or limit, an explanation of the scientific or clinical judgment for the determination will be provided free of charge upon written request,
- (f) copies of any internal rules, guidelines, protocols, standards or other similar criteria relied upon in making this determination or, alternatively, a statement that such rules, guidelines, protocols, standards or other similar criteria do not exist, and
- (g) a statement describing any appeals procedures offered by the plan, and your right to bring a civil suit under ERISA.

If a decision on appeal is not furnished to you within the time frames mentioned above, the claim shall be deemed denied on appeal.

If the appeal of your benefit claim is denied, you or your representative may make a second, voluntary appeal of your denial in writing to Prudential within 180 days of the receipt of the written notice of denial or 180 days from the date such claim is deemed denied. Similarly, if Prudential does not decide your appeal within the time described in Section 1 above, you may appeal again, although you are not required to do so. You may submit with your second appeal any written comments, documents, records and any other information relating to your claim. Upon your request, you will also have access to, and the right to obtain copies of, all documents, records and information relevant to your claim free of charge.

Prudential shall make a determination on your second claim appeal within 45 days of the receipt of your appeal request. This period may be extended by up to an additional 45 days if Prudential determines that special circumstances require an extension of time. A written notice of the extension, the reason for the extension and the date by which Prudential expects to render a decision shall be furnished to you within the initial 45-day period. However, if the period of time is extended due to your failure to submit information necessary to decide the appeal, the period for making the benefit determination will be tolled from the date on which the notification of the extension is sent to you until the earlier of the date on which you respond to the request for additional information or the 45th day following the expiration of the second 45-day appeal review period.

Your decision to submit a benefit dispute to this voluntary second level of appeal has no effect on your right to any other benefits under this plan. If you elect to initiate a lawsuit without submitting to a second level of appeal, the plan waives any right to assert that you failed to exhaust administrative remedies. If you elect to submit the dispute to the second level of appeal, the plan agrees that any statute of limitations or other defense based on timeliness is tolled during the time that the appeal is pending.

If the claim on appeal is denied in whole or in part for a second time, you will receive a written notification from Prudential of the denial. The notice will be written in a manner calculated to be understood by the applicant and shall include the same information that was included in the first adverse determination letter. If a decision on appeal is not furnished to you within the time frames mentioned above, the claim shall be deemed denied on appeal.

Time Limit To File Suit

If your claim for benefits and any required appeals are denied (or not decided within the time periods discussed above), you may file suit as discussed below. If you elect to file suit, you should do so as soon as possible. However, you must file suit no later than three years after proof of your claim was first due as explained elsewhere in this Booklet, regardless of whether your claim is still pending in the claim or appeal process.

Rights and Protections

As a participant in this plan, you are entitled to certain rights and protections under the Employee Retirement Income Security Act of 1974 (ERISA), as amended. ERISA provides that all plan participants shall be entitled to:

Receive Information about Your Plan and Benefits

- Examine, without charge, at the plan administrator's office and at other specified locations, such as worksites and union halls, all documents governing the plan, including insurance contracts and collective bargaining agreements, and a copy of the latest annual report (Form 5500 Series) filed by the plan with the U.S. Department of Labor and available at the Public Disclosure Room of the Employee Benefits Security Administration.
- Obtain, upon written request to the plan administrator, copies of documents governing the operation of the plan, including insurance contracts and collective bargaining agreements, and copies of the latest annual report (Form 5500 Series) and updated summary plan description. The plan administrator may make a reasonable charge for the copies.
- Receive a summary of the plan's annual financial report. The plan administrator is required by law to furnish each participant with a copy of this summary annual report.

Prudent Actions by Plan Fiduciaries

In addition to creating rights for plan participants, ERISA imposes duties upon the people who are responsible for the operation of the employee benefit plan. The people who operate your plan, called "fiduciaries" of the plan, have a duty to do so prudently and in the interest of you and other plan participants and beneficiaries. No one, including the Plan Sponsor, your employer, your union, or any other person, may fire you or otherwise discriminate against you in any way to prevent you from obtaining a welfare benefit or exercising your rights under ERISA.

Enforce Your Rights

If your claim for a welfare benefit is denied or ignored, in whole or in part, you have a right to know why this was done, to obtain copies of documents relating to the decision without charge, and to appeal any denial, all within certain time schedules.

Under ERISA, there are steps you can take to enforce the above rights. For instance, if you request a copy of plan documents or the latest annual report from the plan and do not receive them within 30 days, you may file suit in a Federal court. In such a case, the court may require the plan administrator to provide the materials and pay you a fine that accrues on a daily basis (based on amounts set by the Department of Labor) from the time the materials were due to you until you receive the materials, unless the materials were not sent because of reasons beyond the control of the administrator. If you have a claim for benefits which is denied or ignored, in whole or in part, you may file suit in a state or Federal court. If it should happen that plan fiduciaries misuse the plan's money, or if you are discriminated against for asserting your rights, you may seek assistance from the U.S. Department of Labor, or you may file suit in a Federal court. The court will decide who should pay court costs and legal fees. If you are successful, the court may order the person you have sued to pay these costs and fees. If you lose, the court may order you to pay these costs and fees, for example, if it finds your claim is frivolous.

Assistance with Your Questions

If you have any questions about your plan, you should contact the plan administrator. If you have any questions about this statement or about your rights under ERISA, or if you need assistance in obtaining documents from the plan administrator, you should contact the nearest office of the Employee Benefits Security Administration, U.S. Department of Labor, listed in your telephone directory or the Division of Technical Assistance and Inquiries, Employee Benefits Security Administration, U.S. Department of Labor, 200 Constitution Avenue N.W., Washington, DC 20210. You may also obtain certain publications about your rights and responsibilities under ERISA by calling the publications hotline of the Employee Benefits Security Administration.

SUMMARY CONCERNING COVERAGE, LIMITATIONS, AND EXCLUSIONS UNDER THE ALASKA LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION ACT

A resident of Alaska who purchases life insurance, annuities, or accident and health insurance should know that an insurance company licensed in this state to write these types of insurance is a member of the Alaska Life and Health Insurance Guaranty Association. The purpose of this association is to assure that a policyholder will be protected within statutory limits if a member insurer becomes financially unable to meet its obligations. If this should happen, the guaranty association will assess its other member insurance companies for the money to pay the claims of insured persons who live in this state, and in some cases, to keep coverage in force. However, the valuable extra protection provided by these insurers through the guaranty association is not unlimited. This protection is not a substitute for your care in selecting a company that is well managed and financially stable.

The state law that provides for this safety net coverage is called the Alaska Life and Health Insurance Guaranty Association Act. The full text of the act can be found in AS 21.79.010 – 21.79.990. Provided below is a brief summary of this law's coverages, exclusions, and limits. This summary does not cover all provisions of the law, nor does it in any way change your rights or obligations under the act or the rights or obligations of the guaranty association.

COVERAGE

Generally, an individual will be protected by the life and health insurance guaranty association if the individual lives in Alaska and holds a life or health insurance contract or annuity contract, or if the insured is insured under a group insurance contract issued by a member insurer. The beneficiary, payee, or assignee of an insured person is protected as well, even if a non-resident of Alaska.

EXCLUSIONS FROM COVERAGE

The association does not protect a person holding a policy if:

- the individual is eligible for protection under the laws of another state (this may occur when the insolvent insurer was incorporated in another state whose guaranty association protects insureds who live outside that state);
- the insurer was not authorized to do business in this state; or
- the policy is issued by an organization that is not a member of the Alaska Life and Health Insurance Guaranty Association.

The association does not provide coverage for:

- a policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as a variable contract sold by prospectus;
- a policy of reinsurance (unless an assumption certificate was issued);

- an interest rate yield that exceeds an average rate;
- a dividend;
- a credit given in connection with the administration of a policy by a group contract holder;
- an employer's plan to the extent that it is self-funded (that is, not insured by an insurance company, even if an insurance company administers the plan);
- an unallocated annuity contract issued to an employee benefit plan protected under the United States Pension Benefit Guaranty Corporation;
- that part of an unallocated annuity contract not issued to a specific employee, union, association of natural persons benefit plan, or a government lottery;
- any portion of a policy or contract to the extent that the required assessments are preempted by federal or state law;
- an obligation that does not arise under the express written terms of the policy or contract issued by the insurer;
- certain obligations to provide a book value accounting guaranty for defined contribution benefit plan participants; or
- that part of a policy or contract that provides for interest or other changes in value to be determined by the use of an index or other external reference stated in the policy or contract.

LIMITS ON AMOUNT OF COVERAGE

The act also limits the amount the association is obligated to pay. The association cannot pay more than what the insurance company would owe under a policy or contract. Also, for any one insured life, no matter how many policies or contracts were issued by the same company, even if such contracts provided different types of coverages, the association will pay a maximum of:

- \$300,000 in net life insurance death benefits and no more than \$100,000 in net cash surrender and net cash withdrawal values for life insurance;
- for health insurance benefits, \$100,000 for coverages not defined as disability income, health benefit plans or long-term care insurance, including any net cash surrender and net cash withdrawal values;
- \$300,000 for disability income insurance and long-term care insurance;
- \$500,000 for health benefit plans;
- \$250,000 in the present value of annuity benefits, including net cash surrender and net cash withdrawal value;

- with respect to a structured settlement annuity, \$250,000 in present value annuity benefits, in the aggregate, including net cash surrender and net cash withdrawal values;
- \$250,000 in the aggregate, of present-value annuity benefits, including net cash surrender and net cash withdrawal values with respect to an individual participating in a governmental retirement plan established under 26 U.S.C. 401, 26 U.S.C. 403(b), or 26 U.S.C. 457 and covered by an unallocated annuity contract, or to a beneficiary of the individual if the individual is deceased; or
- \$5,000,000 in unallocated annuity contract benefits, irrespective of the number of contracts held by that contract holder, with respect to any one contract holder or plan sponsor whose plan owns, directly or in trust, one or more unallocated annuity contracts.

Note to benefit plan trustees or other holders of unallocated annuities (GICs, DA Cs, etc.) covered by the act: for unallocated annuities that fund governmental retirement plans under sections 401 (k), 403(b), or 457 of the Internal Revenue Code, the limit is \$250,000 in present value of annuity benefits including net cash surrender and net cash withdrawal per participating individual. In no event shall the association be liable to spend more than \$300,000 in the aggregate per individual. For covered unallocated annuities that fund other plans, a special limit of \$5,000,000 applies to each contract holder, regardless of the number of contracts held with the same company or number of persons covered. In all cases the contract limits also apply.

LIMITATIONS AND EXCLUSIONS UNDER THE ARKANSAS LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION ACT

Residents of this state who purchase life insurance, annuities or health and accident insurance should know that the insurance companies licensed in this state to write these types of insurance are members of the Arkansas Life and Health Insurance Guaranty Association ("Guaranty Association"). The purpose of the Guaranty Association is to assure that policy and contract owners will be protected, within certain limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this should happen, the Guaranty Association will assess its other member insurance companies for the money to pay the claims of policy owners who live in this state and, in some cases, to keep coverage in force. The valuable extra protection provided by the member insurers through the Guaranty Association is not unlimited, however. And, as noted in the box below, this protection is not a substitute for consumers' care in selecting insurance companies that are well managed and financially stable.

DISCLAIMER

The Arkansas Life and Health Insurance Guaranty Association ("Guaranty Association") may not provide coverage for this policy. If coverage is provided, it may be subject to substantial limitations or exclusions and require continued residency in this state. You should not rely on coverage by the Guaranty Association in purchasing an insurance policy or contract.

Coverage is NOT provided for your policy or contract or any portion of it that is not guaranteed by the insurer or for which you have assumed the risk, such as non-guaranteed amounts held in a separate account under a variable life or variable annuity contract.

Insurance companies or their agents are required by law to provide you with this notice. However, insurance companies and their agents are prohibited by law from using the existence of the Guaranty Association to induce you to purchase any kind of insurance policy.

The state law that provides for this safety-net is called the Arkansas Life and Health Insurance Guaranty Association Act ("Act"). Below is a brief summary of the Act's coverages, exclusions and limits. This summary does not cover all provisions of the Act; nor does it in any way change anyone's rights or obligations under the Act or the rights or obligations of the Guaranty Association.

COVERAGE

Generally, individuals will be protected by the Guaranty Association if they live in this state and hold a life, annuity or health insurance contract or policy, or if they are insured under a group insurance contract issued by a member insurer. The beneficiaries, payees or assignees of policy or contract owners are protected as well, even if they live in another state.

EXCLUSIONS FROM COVERAGE

However, persons owning such policies are NOT protected by the Guaranty Association if:

- They are eligible for protection under the laws of another state (this may occur when the insolvent insurer was incorporated in another state whose guaranty association protects insureds who live outside that state);
- The insurer was not authorized to do business in this state;
- Their policy or contract was issued by a nonprofit hospital or medical service organization, an HMO, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company or similar plan in which the policy or contract owner is subject to future assessments, or by an insurance exchange.

The Guaranty Association also does NOT provide coverage for:

- Any policy or contract or portion thereof which is not guaranteed by the insurer or for which the owner has assumed the risk, such as a non-guaranteed amounts held in a separate account under a variable life or variable annuity contract;
- Any policy of reinsurance (unless an assumption certificate was issued);
- Interest rate yields that exceed an average rate;
- Dividends and voting rights and experience rating credits;
- Credits given in connection with the administration of a policy by a group contract holder;
- Employers' plans to the extent they are self-funded (that is, not insured by an insurance company, even if an insurance company administers them);
- Unallocated annuity contracts (which give rights to group contractholders, not individuals);
- Unallocated annuity contracts issued to/in connection with benefit plans protected under Federal Pension Benefit Corporation ("FPBC") (whether the FPBC is yet liable or not);
- Portions of an unallocated annuity contract not owned by a benefit plan or a government lottery (unless the owner is a resident) or issued to a collective investment trust or similar pooled fund offered by a bank or other financial institution);
- Portions of a policy or contract to the extent assessments required by law for the Guaranty Association are preempted by State or Federal law;
- Obligations that do not arise under the policy or contract, including claims based on marketing materials or side letters, riders, or other documents which do not meet filing requirements, or claims for policy misrepresentations, or extra-contractual or penalty claims;
- Contractual agreements establishing the member insurer's obligations to provide book value accounting guarantees for defined contribution benefit plan participants (by reference to a portfolio of assets owned by a nonaffiliate benefit plan or its trustees).

LIMITS ON AMOUNTS OF COVERAGE

The Act also limits the amount the Guaranty Association is obligated to cover: The Guaranty Association cannot pay more than what the insurance company would owe under a policy or contract. Also, for any one insured life, the Guaranty Association will pay a maximum of \$300,000 in life and annuity benefits and \$500,000 in health insurance benefits— no matter how many policies and contracts there were with the same company, even if they provided different types of coverages. Within these overall limits, the Association will not pay more than \$300,000 in disability and long term care benefits, \$500,000 in health insurance benefits, \$300,000 in present value of annuity benefits, or \$300,000 in life insurance death benefits or net cash surrender values – again, no matter how many policies and contracts there were with the same company, and no matter how many different types of coverages. There is a \$1,000,000 limit with respect to any contract holder for unallocated annuity benefits, irrespective of the number of contracts held by the contract holder. These are limitations for which the Guaranty Association is obligated before taking into account either its subrogation and assignment rights or the extent to which those benefits could be provided out of the assets of the impaired or insolvent insurer.

NOTICE OF PROTECTION PROVIDED BY CALIFORNIA LIFE AND HEALTH INSURANCE GUARANTEE ASSOCIATION

This notice provides a brief summary regarding the protections provided to policyholders by the California Life and Health Insurance Guarantee Association ("the Association"). The purpose of the Association is to assure that policyholders will be protected, within certain limits, in the unlikely event that a member insurer of the Association becomes financially unable to meet its obligations. Insurance companies licensed in California to sell life insurance, health insurance, annuities and structured settlement annuities are members of the Association. The protection provided by the Association is not unlimited and is not a substitute for consumers' care in selecting insurers. This protection was created under California law, which determines who and what is covered and the amounts of coverage.

Below is a brief summary of the coverages, exclusions and limits provided by the Association. This summary does not cover all provisions of the law; nor does it in any way change anyone's rights or obligations or the rights or obligations of the Association.

COVERAGE

- **Persons Covered**

Generally, an individual is covered by the Association if the insurer was a member of the Association *and* the individual lives in California at the time the insurer is determined by a court to be insolvent. Coverage is also provided to policy beneficiaries, payees or assignees, whether or not they live in California.

- **Amounts of Coverage**

The basic coverage protections provided by the Association are as follows.

- **Life Insurance, Annuities and Structured Settlement Annuities**

- **Health Insurance**

The maximum amount of protection provided by the Association to an individual, as of July 1, 2016, is \$546,741. This amount will increase or decrease based upon changes in the health care cost component of the consumer price index to the date on which an insurer becomes an insolvent insurer. Changes to this amount will be posted on the Association's website www.califega.org.

- A policy or contract issued by an insurer that was not authorized to do business in California when it issued the policy or contract
- A policy issued by a health care service plan (HMO), a hospital or medical service organization, a charitable organization, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company, an insurance exchange, or a grants and annuities society

SUMMARY OF GENERAL PURPOSES, CURRENT LIMITATIONS AND CONSUMER PROTECTION

General Purposes

Residents of the District of Columbia should know that licensed insurers who sell health insurance, life insurance, and annuities in the District of Columbia are members of the District of Columbia Life and Health Insurance Guaranty Association (“Guaranty Association”).

The purpose of the Guaranty Association is to provide statutorily-determined benefits associated with covered policies and contracts in the unlikely event that a member insurer is unable to meet its financial obligations and is found by a court of law to be insolvent. When a member insurer is found by a court to be insolvent, the Guaranty Association will assess the other member insurers to satisfy the benefits associated with any outstanding covered claims of persons residing in the District of Columbia. However, the protection provided through the Guaranty Association is subjected to certain statutory limits explained under “Coverage Limitations” section, below. In some cases, the Guaranty Association may facilitate the reassignment of policies or contracts to other licensed insurance companies to keep the coverage in-force, with no change in contractual rights or benefits.

Coverage

The Guaranty Association, established pursuant to the Life and Health Guaranty Association Act of 1992 (“Act”), effective July 22, 1992 (D.C. Law 9-129; D.C. Official Code § 31-5401 *et seq.*), provides insolvency protection for certain types of insurance policies and contracts.

The insolvency protections provided by the Guaranty Association is generally conditioned on a person being 1) a resident of the District of Columbia and 2) the individual insured or owner under a health insurance, life insurance, or annuity contract issued by a member insurer, or insured under a group policy insurance contract issued by a member insurer. Beneficiaries, payees, or assignees of District insureds are also covered under the Act, even if they reside in another state.

Coverage Limitations

The Act also limits the amount the Guaranty Association is obligated to pay. The benefits for which the Guaranty Association may become liable shall be limited to the lesser of:

- The contractual obligations for which the insurer is liable or for which the insurer would have been liable if it were not an impaired or insolvent insurer; or
- With respect to any one life, regardless of the number of policies, contracts, or certificates:
 - \$300,000 in life insurance death benefits for any one life; including net cash surrender or net cash withdrawal values;

- \$300,000 in the present value of annuity benefits, including net cash surrender or net cash withdrawal values;
- \$300,000 in the present value of structured settlement annuity benefits, including net cash surrender or net cash withdrawal values;
- \$300,000 for long-term care insurance benefits;
- \$300,000 for disability insurance benefits;
- \$500,000 for basic hospital, medical, and surgical insurance, or major medical insurance benefits;
- \$100,000 for coverage not defined as disability insurance or basic hospital, medical and surgical insurance or major medical insurance or long term care insurance including any net cash surrender and net cash withdrawal values.

In no event is the Guaranty Association liable for more than \$300,000 in benefits with respect to any one life (\$500,000 in the event of basic hospital, medical and surgical insurance or major medical insurance).

Additionally, the Guaranty Association is not obligated to cover more than \$5,000,000 for multiple non-group policies of life insurance with one owner of regardless of the number of policies owned.

Exclusions Examples

Policy or contract holders are not protected by the Guaranty Association if:

- They are eligible for protection under the laws of another state (this may occur when the insolvent insurer was domiciled in a state whose guaranty association law protects insureds that live outside of that state);
- Their insurer was not authorized to do business in the District of Columbia; or
- Their policy was issued by a charitable organization, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company, an insurance exchange, a non-profit hospital or medical service organization, a health maintenance organization, or a risk retention group.

The Guaranty Association also does not cover:

- Any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk;
- Any policy of reinsurance (unless an assumption certificate was issued);
- Any plan or program of an employer or association that provides life, health, or annuity benefits to its employees or members and is self-funded;
- Interest rate guarantees which exceed certain statutory limitations;
- Dividends, experience rating credits or fees for services in connection with a policy;

- Credits given in connection with the administration of a policy by a group contract holder; or
- Unallocated annuity contracts.

Pursuant to the Act (D.C. You should not rely on the insolvency protection provided under the Act when selecting an insurer or insurance product. If you have obtained this document from an agent in connection with the purchase of a policy or contract, you should be aware that such delivery does not guarantee that the Guaranty Association would cover your policy or contract. Any determination of whether a policy or contract will be covered will be determined solely by the coverage provisions of the Act.

**NOTICE CONCERNING COVERAGE LIMITATIONS
AND EXCLUSIONS UNDER THE HAWAII LIFE AND
DISABILITY INSURANCE GUARANTY
ASSOCIATION ACT**

Residents of Hawaii who purchase life insurance, annuities or disability insurance should know that the insurance companies licensed in this state to write these types of insurance are members of the Hawaii Life and Disability Insurance Guaranty Association. The purpose of this association is to assure that policyholders will be protected, within limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this should happen, the Guaranty Association will assess its other member insurance companies for the money to pay the claims of insured persons who live in this state and, in some cases, to keep coverage in force. The valuable extra protection provided by these insurers through the Guaranty Association is not unlimited, however. And, as noted in the box below, this protection is not a substitute for consumers' care in selecting companies that are well-managed and financially stable.

DISCLAIMER

The Hawaii Life and Disability Insurance Guaranty Association may not provide coverage for this policy. If coverage is provided, it may be subject to substantial limitations or exclusions, and require continued residency in Hawaii. You should not rely on coverage by the Hawaii Life and Disability Insurance Guaranty Association in selecting an insurance company or in selecting an insurance policy.

Coverage is NOT provided for your policy or any portion of it that is not guaranteed by the insurer or for which you have assumed the risk, such as a variable contract sold by prospectus.

Insurance companies or their agents are required by law to give or send you this notice. However, insurance companies and their agents are prohibited by law from using the existence of the guaranty association to induce you to purchase any kind of insurance policy.

The state law that provides for this safety-net coverage is called the Hawaii Life and Disability Insurance Guaranty Association Act. On the back of this page is a brief summary of this law's coverages, exclusions and limits. This summary does not cover all provisions of the law; nor does it in any way change anyone's rights or obligations under the act or the rights or obligations of the Guaranty Association.

COVERAGE

Generally, individuals will be protected by the Hawaii Life and Disability Insurance Guaranty Association if they live in this state and hold a life or Disability insurance contract, or an annuity, or if they are insured under a group insurance contract, issued by a member insurer. The beneficiaries, payees or assignees of insured persons are protected as well, even if they live in another state.

EXCLUSIONS FROM COVERAGE

However, persons holding such policies are not protected by the Guaranty Association if:

- they are eligible for protection under the laws of another state (this may occur when the insolvent insurer was incorporated in another state whose guaranty association protects insureds who live outside that state); or
- the insurer was not a member of the Guaranty Association. A nonprofit hospital or medical service organization (the "Blues"), an HMO, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company or similar plan in which the policy-holder is subject to future assessments, or an insurance exchange are examples of nonmember insurers.

The Guaranty Association also does not provide coverage for:

- any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as a variable contract sold by prospectus;
- any policy of reinsurance (unless an assumption certificate was issued);
- interest rate yields that exceed an average rate;
- dividends;
- credits given in connection with the administration of a policy by a group contractholder;
- employers' plans to the extent they are self-funded (that is, not insured by an insurance company, even if an insurance company administers them);
- unallocated annuity contracts (which give rights to group contractholders, not individuals).

LIMITS ON AMOUNT OF COVERAGE

The act also limits the amount the Guaranty Association is obligated to pay out. The basic protections provided by the Association are:

Life Insurance

- \$300,000 in death benefits
- \$100,000 in cash surrender or withdrawal values

Health Insurance

- \$500,000 in hospital, medical and surgical insurance benefits
- \$300,000 in disability insurance benefits
- \$300,000 in long-term care insurance benefits
- \$100,000 in other types of health insurance benefits

Annuities

- \$250,000 in withdrawal and cash values

The maximum amount of protection for each individual, regardless of the number of policies or contracts, is \$300,000. Special rules may apply with regard to hospital, medical and surgical insurance benefits and with regard to one owner or multiple non-group policies of life insurance.

NOTICE OF PROTECTION PROVIDED BY THE INDIANA LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION

This notice provides a brief summary of the Indiana Life and Health Insurance Guaranty Association (“ILHIGA”) and the protection it provides for policyholders. This safety net was created under Indiana law, which determines who and what is covered and the amounts of coverage.

ILHIGA was established to provide protection to policyholders in the unlikely event that your life, annuity or health insurance company becomes financially unable to meet its obligations and is taken over by its insurance department. guarantee, such as certain investment additions to the account value of a variable life insurance policy or variable annuity contract.

COVERAGE

Generally, individuals will be protected by the Life and Health Insurance Guaranty Association if they live in this state and hold a life or health insurance contract, or an annuity, or if they are insured under a group insurance contract, issued by an insurer authorized to conduct business in Louisiana. EXCLUSIONS FROM COVERAGE

However, persons holding such policies are not protected by this Association, if:

- (1) they are eligible for protection under the laws of another state (this may occur when the insolvent insurer was incorporated in another state whose guaranty association protects insureds who live outside that state.);
- (2) the insurer was not authorized to do business in this state;
- (3) their policy was issued by a nonprofit hospital or medical service organization, an HMO, a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company or similar plan in which the policyholder is subject to future assessments, or by an insurance exchange.

The Association also does not provide coverage for:

- (8) certain unallocated annuity contracts (which give rights to group contract holders, not individuals), and certain structured settlement annuity contracts;
- (9) Other exceptions and exclusions may also be applicable depending upon the insurer, the policy itself, the policyholder or policy owner, or other factors. For more information, see the Louisiana Life and Health Guaranty Association Law, Louisiana Revised Statutes R.S. 22:2081 *et seq.*

**NOTICE CONCERNING COVERAGE
LIMITATIONS AND EXCLUSIONS UNDER THE NORTH CAROLINA
LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION ACT**

Residents of this state who purchase life insurance, annuities or health insurance should know that the insurance companies and Health Maintenance Organizations (HMOs) licensed in this state to write these types of insurance are members of the North Carolina Life and Health Insurance Guaranty Association. The purpose of this association is to assure that policyholders will be protected, within limits, in the unlikely event that a member insurer or HMO becomes financially unable to meet its obligations. If this should happen, the guaranty association will assess its other member insurance companies for the money to pay the claims of the insured persons who live in this state and, in some cases, to keep coverage in force. The valuable extra protection provided by these insurers through the guaranty association is not unlimited, however. And, as noted *in the box below*, this protection is not a substitute for consumers' care in selecting companies that are well-managed and financially stable.

The North Carolina Life and Health Insurance Guaranty association may not provide coverage for this policy. If coverage is provided, it may be subject to substantial limitations or exclusions, and require continued residency in North Carolina. You should not rely on coverage by the North Carolina Life and Health Insurance Guaranty Association in selecting an insurance company or in selecting an insurance policy.

Coverage is NOT provided for your policy or any portion of it that is not guaranteed by the insurer or for which you have assumed the risk, such as a variable contract sold by prospectus.

Insurance companies or their agents are required by law to give or send you this notice. However, insurance companies and their agents are prohibited by law from using the existence of the guaranty association to induce you to purchase any kind of insurance policy.

The state law that provides for this safety-net coverage is called the North Carolina Life and Health Insurance Guaranty Association Act. *Below* is a brief summary of this law's coverages, exclusions and limits. This summary does not cover all provisions of the law; nor does it in any way change anyone's rights or obligations under the act or the rights or obligations of the guaranty association.

COVERAGE

Generally, individuals will be protected by the life and health guaranty association if they live in this state and hold a life or health insurance contract, or an annuity, or if they are insured under a group insurance contract, issued by a member insurer or HMO. The beneficiaries, payees or assignees of insured persons are protected as well, even if they live in another state.

EXCLUSIONS FROM COVERAGE

However, persons holding such policies are not protected by this association if:

- They are eligible for protection under the laws of another state (this may occur when the insolvent insurer was incorporated in another state whose guaranty association protects insureds who live outside that state);
- The insurer was not authorized to do business in this state;
- Their policy was issued by a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company or similar plan in which the policyholder is subject to future assessments, or by an insurance exchange.
- They acquired rights to receive payments through a structured settlement factoring transaction

The association also does not provide coverage for:

- Any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as a variable contract sold by prospectus;
- Any policy of reinsurance (unless an assumption certificate was issued);
- Interest rate yields that exceed the average rate specified in the law;
- Dividends;
- Experience or other credits given in connection with the administration of a policy by a group contractholder;
- Employers' plans to the extent they are self-funded (that is, not insured by an insurance company, even if an insurance company administers them);
- Unallocated annuity contracts (which give rights to group contractholders, not individuals), unless they fund a government lottery or a benefit plan of an employer, association or union, except that unallocated annuities issued to employee benefit plans protected by the Federal Pension Benefit Guaranty Corporation are not covered.
- A policy or contract commonly known as Medicare Part C, Medicare Part D, Medicaid or any regulations issued pursuant thereto.

LIMITS ON AMOUNT OF COVERAGE

The act also limits the amount the association is obligated to pay out as follows:

- (1) The guaranty association cannot pay out more than the insurance company would owe under the policy or contract.
- (2) Except as provided in (3) (4) and (5) below, the guaranty association will pay a maximum of \$300,000 per individual, per insolvency, no matter how many policies or types of policies issued by the insolvent company.
- (3) The guaranty association will pay a maximum of \$500,000 with respect to a health benefit plan.
- (4) The guaranty association will pay a maximum of \$1,000,000 with respect to the payee of a structured settlement annuity.
- (5) The guaranty association will pay a maximum of \$5,000,000 to any one unallocated annuity contract holder.

**SUMMARY OF THE NEW HAMPSHIRE LIFE AND HEALTH
INSURANCE GUARANTY ASSOCIATION ACT of 2019 (RSA 408-F) (the Act)
AND
NOTICE CONCERNING COVERAGE AND LIMITATIONS**

SUMMARY:

This notice provides a brief summary of the purpose of the New Hampshire Life and Health Insurance Guaranty Association (Association) and the protection it provides for policyholders. This safety net was created under New Hampshire law, which determines who and what is covered and the amounts of coverage. This summary does not cover all provisions of the law and it does not in any way change one's rights or obligations under the Act or the rights or obligations of the Association.

The Association was established to provide protection in the unlikely event that your life, annuity, or health insurance company becomes financially unable to meet its obligations and is taken over by its insurance department. If this should happen, the Association will typically arrange to continue coverage and pay claims, in accordance with New Hampshire law, with funding from assessments paid by other insurance companies, including health maintenance organizations (HMOs).

DISCLAIMER:

The Association may not cover your policy or contract or, if coverage is available, it may be subject to substantial limitations and exclusions and conditioned on continued residence in the state.

This protection is not a substitute for consumers' care in selecting companies that are well managed and financially stable and consumers should not rely on coverage under this Act when selecting an insurer or HMO. The valuable protection through the Guaranty Association is not unlimited.

COVERAGE:

Generally, individuals will be protected by the New Hampshire Life and Health Insurance Guaranty Association if they live in this state and hold a life or health insurance policy or an annuity contract, or if they are insured under a group insurance contract, issued by a member insurer. The beneficiaries, assignees or payees of insured persons are protected as well, even if they live in another state.

Coverage provided under the current, amended Act may be different from coverage provided prior to 2020, as coverage is determined by the governing Act in effect on the date that the Association becomes obligated.

BASIC LIMITS ON AMOUNT OF COVERAGE:

The Act limits the amount the Association is obligated to pay. The Association cannot pay more than what the insurance company would owe under a policy or contract.

The basic protections provided by the Association are limited to:

- **Life Insurance**
 - * \$300,000 in death benefits
 - * \$100,000 in cash surrender and withdrawal values
- **Health Insurance**
 - * \$500,000 for health benefit plans (see definition below)
 - * \$300,000 in disability (income) insurance benefits
 - * \$300,000 in long-term care insurance benefits
 - * \$100,000 in other types of health insurance benefits
- **Annuities**
 - * \$250,000 in the present value of annuity benefits, including net cash surrender and net cash withdrawal values

With respect to any one life, the Association will pay a maximum of \$300,000 no matter how many policies and contracts there were with the same company, even if they provided different types of coverages, except with respect to benefits for basic hospital, medical and surgical insurance and major medical insurance, in which case the aggregate liability of the Association shall not exceed \$500,000 with respect to any one individual.

“Health benefit plan” is defined in RSA 408-F:4, VI and generally includes hospital or medical expense policies, contracts or certificates, or HMO subscriber contracts that provide comprehensive forms of coverage for hospitalization or medical services, but excludes policies that provide coverages for limited benefits (such as dental-only or vision-only insurance), Medicare Supplement insurance, disability income insurance and long-term care insurance.

Benefits provided by a long-term care (LTC) rider to a life insurance policy or an annuity contract shall be considered the same type of benefits as the base life insurance policy or annuity contract to which it relates.

NOTE: Certain policies and contracts may not be covered or may not be fully covered. For example, coverage does not extend to a portion(s) of a policy or contract that the insurer does not guarantee, such as certain investment additions to the account value of a variable life insurance policy or a variable annuity contract.

The state law that provides for this safety-net coverage is called the New Jersey Life and Health Insurance Guaranty Association Act, N.J.S.A. 17B:32A-1, et seq. (the "Act").

COVERAGE

Following is a brief summary of this law's coverages, exclusions and limits. This summary does not cover all provisions of the law; nor does it in any way change anyone's rights or obligations under the act or the rights or obligations of the guaranty association.

Generally, individuals will be protected by the Life and Health Insurance Guaranty Association if they live in New Jersey and hold a life, health or long-term care insurance contract, annuity contract, or if they are insured under a group insurance contract, issued by a member insurer.

The beneficiaries, payees or assignees of insured persons are protected as well, even if they live in another state.

EXCLUSIONS FROM COVERAGE

However, persons holding such policies are not protected by this Association if:

- they are eligible for protection under the laws of another state (this may occur when the insolvent insurer was incorporated in another state whose guaranty association protects insureds who live outside that state);
- the insurer was not authorized to do business in this state;
- the policy is issued by an organization which is not a member of the New Jersey Life and Health Insurance Guaranty Association.

The Association also does not provide coverage for:

- any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as a variable contract sold by prospectus;
- any policy of reinsurance (unless an assumption certificate was issued);
- interest rate yields that exceed an average rate as more fully described in Section 3 of the Act;
- dividends;
- credits given in connection with the administration of a policy by a group contractholder;
- employers' plans to the extent they are self-funded (that is, not insured by an insurance company, even if an insurance company administers them).

LIMITS ON AMOUNT OF COVERAGE

The act also limits the amount the Association is obligated to pay out. The Association cannot pay more than what the insurance company would owe under a policy or contract.

With respect to any one insured individual, regardless of the number of policies or contracts, the Association will pay not more than \$500,000 in life insurance death benefits and present value annuity benefits, including net cash surrender and net cash withdrawal values. Within this overall limit, the Association will not pay more than \$100,000 in cash surrender values for annuity benefits, \$500,000 in life insurance death benefits or \$500,000 in present value of annuities -- again no matter how many policies and contracts that were with the same company, and no matter how many different types of coverages.

The Association will not pay more than \$2,000,000 in benefits to any one contractholder under any one unallocated annuity contract.

There are no limits on the benefits the Association will pay with respect to any one group, blanket or individual accident and health insurance policy.

**NOTICE CONCERNING COVERAGE LIMITATIONS AND EXCLUSIONS UNDER THE
OHIO LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION ACT**

Residents of Ohio who purchase life insurance, annuities or health insurance should know that the insurance companies licensed in this state to write these types of insurance are members of the Ohio Life and Health Insurance Guaranty Association. The purpose of this association is to assure that policyholders will be protected, within limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this should happen, the guaranty association will assess its other member insurance companies for the money to pay the claims of insured persons who live in this state and, in some cases, to keep coverage in force. The valuable extra protection provided by these insurers through the guaranty association is not unlimited, however. And, as noted in the box below, this protection is not a substitute for consumers' care in selecting companies that are well-managed and financially stable.

The Ohio Life and Health Insurance Guaranty Association may not provide coverage for this policy. If coverage is provided, it may be subject to substantial limitations or exclusions, and require continued residency in Ohio. You should not rely on coverage by the Ohio Life and Health Insurance Guaranty Association in selecting an insurance company or in selecting an insurance policy.

Coverage is *NOT* provided for your policy or any portion of it that is not guaranteed by the insurer or for which you have assumed the risk, such as a variable contract sold by prospectus. You should check with your insurance company representative to determine if you are only covered in part or not covered at all.

Insurance companies or their agents are required by law to give or send you this notice. *However, insurance companies and their agents are prohibited by law from using the existence of the guaranty association to induce you to purchase any kind of insurance policy.*

The state law that provides for this safety-net coverage is called the Ohio Life and Health Insurance Guaranty Association Act. Below is a brief summary of this law's coverages, exclusions and limits. This summary does not cover all provisions of the law nor does it in any way change anyone's rights or obligations under the act or the rights or obligations of the guaranty association.

COVERAGE

Generally, individuals will be protected by the life and health insurance guaranty association if they live in Ohio and hold a life or health insurance contract, annuity contract, unallocated annuity contract; if they are insured under a group insurance contract, issued by a member insurer; or if they are the payee or beneficiary of a structured settlement annuity contract. The beneficiaries, payees or assignees of insured persons are protected as well, even if they live in another state.

EXCLUSIONS FROM COVERAGE

However, persons holding such policies are **not** protected by this association if:

- they are eligible for protection under the laws of another state (this may occur when the insolvent insurer was incorporated in another state whose guaranty association protects insureds who live outside that state);
- the insurer was not authorized to do business in this state;
- their policy was issued by a medical, health or dental care corporation, an HMO, a fraternal benefit society, a mutual protective association or similar plan in which the policyholder is subject to future assessments, or by an insurance exchange.

The association also does **not** provide coverage for:

- any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as a variable contract sold by prospectus;
- any policy of reinsurance (unless an assumption certificate was issued);
- interest rate yields that exceed an average rate;
- dividends;
- credits given in connection with the administration of a policy by a group contract holder;
- employers' plans to the extent they are self-funded (that is, not insured by an insurance company, even if an insurance company administers them).

LIMITS ON AMOUNT OF COVERAGE

The act also limits the amount the association is obligated to pay out: The association cannot pay more than what the insurance company would owe under a policy or contract. Also, for any one insured life, the association will pay a maximum of \$300,000, except as specified below, no matter how many policies and contracts there were with the same company, even if they provided different types of coverages. The association will not pay more than \$100,000 in cash surrender values, \$500,000 in major medical insurance benefits, \$300,000 in disability or long-term care insurance benefits, \$100,000 in other health insurance benefits, \$250,000 in present value of annuities, or \$300,000 in life insurance death benefits. Again, no matter how many policies and contracts there were with the same company, and no matter how many different types of coverages, the association will pay a maximum of \$300,000, except for coverage involving major medical insurance benefits, for which the maximum of all coverages is \$500,000.

Note to benefit plan trustees or other holders of unallocated annuities (GICs, DACs, etc.) covered by the act: For unallocated annuities that fund governmental retirement plans under sections 401, 403(b) or 457 of the Internal Revenue Code, the limit is \$250,000 in present value of annuity benefits including net cash surrender and net cash withdrawal per participating individual. In no event shall the association be liable to spend more than \$300,000 in the aggregate per individual. For covered unallocated annuities that fund other plans, a special limit of \$1,000,000 applies to each contract holder, regardless of the number of contracts held with the same company or number of persons covered. In all cases, of course, the contract limits also apply.

**NOTICE OF
PROTECTION PROVIDED BY
OKLAHOMA LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION**

This notice provides a brief summary of the Oklahoma Life and Health Insurance Guaranty Association ("the Association") and the protection it provides for policyholders. This safety net was created under Oklahoma law, which determines who and what is covered and the amounts of coverage. The Association was established to provide protection in the unlikely event that your life, annuity or health insurance company becomes financially unable to meet its obligations and is taken over by its Insurance Department. If this should happen, the Association will typically arrange to continue coverage and pay claims, in accordance with Oklahoma law, with funding from assessments paid by other insurance companies.

The basic protections provided by the Association are:

- Life Insurance
 - o \$300,000 in death benefits
 - o \$100,000 in cash surrender or withdrawal values
- Health Insurance
 - o \$500,000 in hospital, medical and surgical insurance benefits
 - o \$300,000 in disability income insurance benefits
 - o \$300,000 in long-term care insurance benefits
 - o \$100,000 in other types of health insurance benefits
- Annuities
 - o \$300,000 in withdrawal and cash values

The maximum amount of protection for each individual, regardless of the number of policies or contracts, is \$300,000, except that with regard to hospital, medical and surgical insurance benefits, the maximum amount that will be paid is \$500,000.

Note: Certain policies and contracts may not be covered or fully covered. For example, coverage does not extend to any portion(s) of a policy or contract that the insurer does not guarantee, such as certain investment additions to the account value of a variable life insurance policy or a variable annuity contract. There are also various residency requirements and other limitations under Oklahoma law.

NOTICE CONCERNING COVERAGE UNDER THE TENNESSEE LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION ACT

Insurance companies and health maintenance organizations (HMOs) licensed in this state to write life insurance, annuities or health insurance are members of the Tennessee Life and Health Insurance Guaranty Association. The purpose of this association is to provide a safety-net of coverage, within limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this should happen, the Guaranty Association will assess its other member insurance companies for the money to pay the claims of insured persons who live in the state and, in some cases, to keep coverage in force. The valuable extra protection provided by these insurers through the Guaranty Association is not unlimited, however. And, as noted below, this protection is not a substitute for consumers' care in selecting companies that are well-managed and financially stable.

The state law that provides for this safety-net coverage is called the Tennessee Life and Health Insurance Guaranty Association Act. The following is a brief summary of this law's coverages, exclusions and limits. **This summary does not cover all provisions of the law or describe all of the conditions and limitations relating to coverage. This summary does not in any way change anyone's rights or obligations under the act or the rights or obligations of the Guaranty Association.**

COVERAGE

Generally, individuals will be protected by the Life and Health Insurance Guaranty Association if they live in this state and hold a life or health insurance contract, HMO contract, or an annuity, or if they are insured under a group insurance contract issued by an insurer authorized to conduct business in Tennessee. - (2) the insurer was not authorized to do business in this state;
- (3) their policy was issued by a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company or similar plan in which the policyholder is subject to future assessments, or by an insurance exchange.

The Guaranty Association also does not provide coverage for:

- (1) any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as a variable contract sold by prospectus;

For any one insured life, the Guaranty Association guarantees payments up to a stated maximum no matter how many policies and contracts there were with the same company, even if they provided different types of coverage. These aggregate limits per life are as follows:

If this should happen, the Association will typically arrange to continue coverage and pay claims, in accordance with Utah law, with funding from assessments paid by other insurance companies.

The basic protections provided by the Association are:

- Life Insurance
 - o \$500,000 in death benefits

For example, coverage does not extend to any portion of a policy or contract that the insurer does not guarantee, such as certain investment additions to the account value of a variable life insurance policy or a variable annuity contract. Coverage is conditioned on residency in this state and there are substantial limitations and exclusions. For a complete description of coverage, consult Utah Code, Title 31A, Chapter 28.

PROTECTION FOR YOU AND YOUR INSURANCE POLICY
THE WASHINGTON LIFE AND DISABILITY INSURANCE GUARANTY ASSOCIATION

PREFACE

This brochure briefly describes the coverage provided through the Washington Life & Disability Insurance Guaranty Association ("Association").

The Association is a nonprofit unincorporated legal entity created by the Washington Life and Disability Insurance Guaranty Association Act, Chapter 48.32A RCW ("Act"). Every life and disability insurance company authorized to do business in Washington is a member of the Association. A Board of Directors ("Board"), composed of representatives from member insurers, and the Insurance Commissioner, ex officio, oversee the operation of the Association.

The expenses of the Association are paid by assessments made against each member insurer. Persons covered by the Act are not charged for the expenses of the Association or the protection provided under the Act.

Coverage is provided for certain life and disability insurance. However, the Association does not cover all such insurance. Coverage that is provided is subject to the limitations and exclusions provided by the Act.

The purpose of this brochure is to help you understand the general nature and the conditions of the protection provided under the Act. It is only a summary, however, and if you have specific questions that are not discussed here you may contact either the Association or the Office of the Insurance Commissioner.

QUESTIONS AND ANSWERS

1. WHAT INSURANCE POLICIES ARE COVERED UNDER THE ACT?

The Act applies to life insurance policies, disability insurance policies, and annuity contracts issued by an insurance company authorized to do business in Washington. The term "disability insurance," as used in the Act, includes not only disability income insurance, but also policies commonly referred to as "health insurance." Together, all of these policies and contracts are sometimes referred to as "covered policies," a term used in this brochure.

2. ARE THERE POLICIES OR INSURERS NOT COVERED BY THE ACT?

The Act specifically excludes certain types of policies or portions of policies, including, but not limited to: The portion of a policy not guaranteed by the insurer; the portion of a policy to the extent the interest rate or crediting rate exceeds the limits in the Act; policies of reinsurance, unless assumption certificates have been issued; policies issued in Washington by an insurer at a time when the insurer was not licensed or did not have a certificate of authority; policies issued to a self-insured plan or program; certain unallocated employee benefit plan annuities protected by federal law; and unallocated annuity contracts not issued to or in connection with a benefit plan or a government lottery.

The Act also does not apply to policies or contracts issued by health care service contractors, health maintenance organizations, fraternal benefit societies, self funded multiple employer welfare arrangements, mandatory state pooling plans, mutual assessment companies, insurance exchanges, or an organization that has a certificate or license limited to issuance of certain charitable gift annuities.

3. WHO IS PROTECTED UNDER THE ACT?

You are covered by the Act if you are an owner of or certificate holder under a policy or contract (other than an unallocated annuity contract or structured settlement annuity), and:

- You are a Washington resident; or
- You are not a Washington resident, but only if: the insurer is domiciled in Washington; there is an association similar to the Washington Association in your state of residency; and you are not covered in your state of residency, because the insurer was not licensed in that state; or
- You are a beneficiary, assignee, or payee of one of the above, regardless of where you reside (except for nonresident certificate holders under group policies).

Owners of unallocated annuity contracts are covered if the contract was issued to or in connection with a specific benefit plan whose plan sponsor has its principal place of business in Washington, or the contract was issued to or in connection with a government lottery and the owner is a Washington resident.

A payee under a structured settlement annuity (or beneficiary of a deceased payee) is also covered, if the payee is a Washington resident, or the payee is not a Washington resident, but the contract owner is a resident; or the insurer that issued the annuity is domiciled in Washington and coverage is not available in the state in which the payee resides.

Residency is generally determined at the time of entry of an order of liquidation against the insurer. If you move to another state and reside there when such an order is entered, you may still have protection under the law of that state. You should contact the insurance department in your new state of residence to find out about guaranty act protection there.

4. HOW DOES THE ASSOCIATION PROTECT COVERED PERSONS AGAINST LOSS?

After an order of liquidation is entered against a company, the Association begins its work of carrying out the purpose of the Act, which is to assure the performance of insurance obligations of that company. The Association is authorized to carry out its duties by working with insurance companies in good standing to assume or take over the covered policies. The association may also directly provide benefits and coverage as authorized by the Act. The Association has the authority to collect the funds necessary to provide protection to covered persons against losses on their covered policies.

5. WHERE DOES THE ASSOCIATION GET THE MONEY TO PROVIDE THIS PROTECTION?

The Association is authorized to collect money from all life and disability insurance companies doing business in Washington. The funds collected from an assessment are used to pay claims to covered persons and/or to fund the assumption of covered policies by another insurer.

6. DOES THE ASSOCIATION PAY OUT THE MONEY IT COLLECTS RIGHT AWAY OR DO COVERED PERSONS HAVE TO WAIT?

The Association generally cannot make an assessment for covered policies issued by a company until after an order of liquidation has been entered against the company, and a reasonable estimate can be made of the amount of money needed. Insurance companies receiving an assessment notice must make their payments within thirty days.

Because it takes time for an action to be commenced against a financially impaired insurer, for a Court to issue an order, and for funds to be collected to satisfy the obligations of that insurer, some delay, hopefully short, is unavoidable before payments can be made. Although it is impossible to predict how long this process will take in any given case, an average time period of twelve to eighteen months is not unusual.

When necessary, the Association may borrow money to make payments more promptly, particularly in cases that will take an unusual amount of time to be resolved.

7. WHAT IS THE AMOUNT OF PROTECTION PROVIDED BY THE ACT?

The Act provides the following maximum amounts of protection:

Life Insurance Death Benefits \$500,000

Disability Benefits \$500,000

Present Value of Individual Annuities..... \$500,000

Unallocated Annuity Contracts, other than
certain government retirement plans
(limit is per contract owner or plan sponsor) \$5,000,000

Government Retirement Plans established under
Internal Revenue Code § 401, 403(b), or 457
(limit is per participant) \$100,000

This protection becomes effective at the time of entry of a Court order of liquidation against the insurer. Of course, if the amount owed under the contract or policy is less than the maximum benefit under the Act, the covered person will be entitled to protection only up to the actual amount owed.

Furthermore, the maximum protection available to each covered person remains the same, regardless of the number of contracts through which he or she has a claim.

8. IF A HUSBAND AND WIFE EACH INDIVIDUALLY OWN A COVERED POLICY, IS THE PROTECTION UNDER THE ACT PROVIDED TO EACH OF THEM?

Yes. As long as the residency requirements are met, both would be entitled to the protection provided by the Act, up to the maximum amount.

9. WHY DOESN'T MY INSURANCE COMPANY ADVERTISE THE FACT THAT ITS POLICIES AND CONTRACTS ARE PROTECTED UNDER THE ACT?

Under Washington law, insurance companies are prohibited from advertising that their policies or contracts may be covered under the Act.

You should not rely on coverage under the Act when selecting an insurance company.

10. WHY HASN'T MY AGENT TOLD ME ABOUT THE GUARANTY ACT?

Your insurance agent is subject to the same prohibitions as your insurance company. As a representative of the company, an agent must exercise great care when soliciting business and consequently, will generally not discuss the subject of a guaranty act with clients.

11. WHO SHOULD I CONTACT IF I BELIEVE THERE HAS BEEN A VIOLATION OF THE ACT?

You should contact the Association if you believe your rights have been violated under the Act. If you are dissatisfied with the actions of the Association, you may also contact the Office of the Insurance Commissioner.

CONCLUSION

This brochure has been prepared by the Washington Life and Disability Insurance Guaranty Association. Its purpose is to inform the public in a general way of the protections that are available in this state on insurance policies and annuity contracts issued by companies authorized to do business in Washington. The Association does not, by this brochure, endorse any company or its products, but rather seeks to address some of the concerns that you may have regarding the security of insurance policies and annuity contracts

For more information or answers to specific questions you may contact the Washington Life and Disability Insurance Guaranty Association or the Office of the Insurance Commissioner, whose addresses and telephone numbers are shown in the Preface.

This brochure is prepared by and made available through the Washington Life and Disability Insurance Guaranty Association, which has granted member insurance companies permission to reproduce and distribute the brochure. It is the responsibility of the company, or any representative of a company, reproducing this brochure, to ensure that the use thereof does not violate applicable laws or regulations.

**SUMMARY OF THE WEST VIRGINIA LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION
ACT
(Effective July 1, 2019)**

Residents of West Virginia who purchase life insurance, annuities or health insurance should know that the insurance companies licensed in this state to write these types of insurance are members of the West Virginia Life and Health Insurance Guaranty Association. The purpose of this Association is to assure that policy and contract owners, certificate holders and enrollees of covered policies and contracts will be protected, within limits, in the unlikely event that a member insurer becomes financially unable to meet its obligations. If this should happen, the Guaranty Association will assess its other member insurers for the money to pay the claims of covered persons who live in this state and, in some cases, to keep coverage in force. The valuable extra protection provided by these member insurers through the Guaranty Association is not unlimited, however, and, as noted in the box below, this protection is not a substitute for consumers' care in selecting companies that are well-managed and financially stable.

The West Virginia Life and Health Insurance Guaranty Association may not provide coverage for this policy or contract. If coverage is provided, it may be subject to substantial limitations or exclusions, and require continued residency in West Virginia. You should not rely on coverage by the West Virginia Life and Health Insurance Guaranty Association in selecting an insurance company or health maintenance organization or in selecting an insurance policy or contract. For a complete description of coverage, consult Article 26A, Chapter 33 of the West Virginia Code.

Coverage is NOT provided for any portion OF YOUR CONTRACT that is not guaranteed by the insurer or for which you have assumed the risk.

Insurance companies and health maintenance organizations or their agents are required by law to give or send you this notice.

However, insurance companies, health maintenance organizations and their agents are prohibited by law from using the existence of the guaranty association to induce you to purchase any kind of insurance policy or health maintenance organization coverage.

The Guaranty Association or the West Virginia Insurance Commission will respond to questions you may have which are not answered by this document. Policyholders with additional questions may contact:

The state law that provides for this safety-net coverage is called the West Virginia Life and Health Insurance Guaranty Association Act. On the back of this page is a brief summary of this law's coverages, exclusions and limits. This summary does not cover all provisions of the law nor does it in any way change anyone's rights or obligations under the act or the rights or obligations of the Guaranty Association.

COVERAGE

Generally, individuals will be protected by the West Virginia Life and Health Insurance Guaranty Association if they live in West Virginia and hold a life, health or annuity policy, plan or contract, or if they are insured under a group life, health or annuity policy, plan or contract, issued by a member insurer. Member insurer also includes non-profit service corporations (W. Va. Code § 33-24), health care corporations (W. Va. Code § 33-25) and health maintenance organizations (W.Va. Code § 33-25A). The beneficiaries, payees or assignees of insured persons are protected as well, even if they live in another state.

EXCLUSIONS FROM COVERAGE

However, persons holding such policies, plans or contracts are not protected by this Guaranty Association if:

- They are eligible for protection under the laws of another state (this may occur when the insolvent member insurer was incorporated in another state whose guaranty association protects insureds who live outside that state);
- The member insurer was not authorized to do business in this state;
- The policy, plan or contract was issued at a time when the member insurer was not licensed or authorized to do business in the state;
- Their policy, plan or contract was issued by a fraternal benefit society, mandatory state pooling plan, a mutual protective association or similar plan in which the policy, plan or contract holder is subject to future assessments, an insurance exchange, an organization that has a certificate or license limited to the issuance of charitable gift annuities or any entity similar to the above.

The Guaranty Association also does not provide coverage for:

- Any policy, plan or contract, or portion of a policy, plan or contract that is not guaranteed by the member insurer or for which the individual or contract holder has assumed the risk;
- Any policy of reinsurance (unless an assumption certificate was issued);
- Interest rate yields that exceed an average rate;
- Dividends;
- Credits given in connection with the administration of a policy, plan or contract by a group contractholder;
- Employer or association plans to the extent they are self-funded (that is, not insured by an insurance company, even if an insurance company administers them) or uninsured, including:
 - i. multiple employer welfare arrangement;
 - ii. minimum premium group insurance plan;
 - iii. stop loss group insurance plan; or
 - iv. administrative services only contract.

- Any unallocated annuity contract issued to or in connection with a benefit plan protected under the federal pension guaranty corporation;
- Any portion of any unallocated contract that is not issued to or in connection with a specific employee, union or association's benefit plan or a governmental lottery;
- Any policy, plan or contract providing any hospital, medical, prescription drug or other health care benefits pursuant to Medicare Part C and D or Medicaid;
- An obligation that does not arise under the written terms of the policy, plan or contract, including claims based on marketing materials; claims based on side letters or riders not approved by the Commissioner; misrepresentations regarding policy benefits; extra contractual claims or claims for penalties or consequential or incidental damages;
- A contractual agreement that establishes the member insurer's obligation to provide a book value guaranty for defined contribution benefit plan participants by reference to a portfolio of assets that is owned by the benefit plan or trustee, which is not an affiliate of the insurer;
- Structured settlement annuity benefits, the rights to which have been transferred by the payee or beneficiary in a structured settlement factoring transaction.

LIMITS ON AMOUNT OF COVERAGE

The act also limits the amount the Guaranty Association is obligated to pay out. The Guaranty Association cannot pay more than what the member insurer would owe under a policy, plan or contract. Also, for any one insured life, regardless of the number of policies, plans or contracts, the Guaranty Association will only pay:

- \$300,000 in life insurance benefits, but no more than \$100,000 in net cash surrender and net cash withdrawal values;
- \$300,000 for disability insurance;
- \$300,000 for long term care insurance;
- \$250,000 in the present value annuity benefits, including net cash surrender and net cash withdrawal values;
- \$500,000 for health benefit plans (W. Va. Code §33-26A-5(10)), and;
- \$100,000 for all other types of accident and sickness insurance coverages not defined as disability income insurance, long term care insurance, or health benefit plans.

Also for any one insured life, the Guaranty Association will only pay a maximum of \$300,000 - no matter how many policies and contracts there were with the same company – for all policies or contracts other than health benefit plans, in which case the aggregate limit shall not exceed \$500,000 with respect to any one individual.

Note to benefit plan trustees or other holders of unallocated annuities (GICs, DACs, etc.) covered by the Act: for unallocated annuities that fund governmental retirement plans under §§ 401(k), 403(b) or 457 of the Internal Revenue Code, the limit is \$250,000 in the present value of annuity benefits including net

cash surrender and net cash withdrawal values, per participating individual. In no event shall the Guaranty Association be liable to spend more than \$300,000 in the aggregate per individual. For covered unallocated annuities that fund other plans, a special limit of \$5,000,000 applies to each contract holder, regardless of the number of contracts held with the same company or number of persons covered. In all cases, of course, the contract limits also apply.

The basic protections provided by the Association are:

There are also various residency requirements and other limitations under Wyoming law.

EXCLUSIONS FROM COVERAGE

Policy owners, contract owners, policy holders, certificate holders and enrollees are *not* protected by this Association if:
