Plan for a Family—Your Way

Single males or same-sex male couples

Surrogacy benefit management—Assistance with reproduction and surrogacy.

Assisted reproduction services for embryo creation—Have a baby with the assistance of an egg donor or surrogate.

Transgender family planning

Progyny understands the unique challenges you may face when planning a family. Depending on your doctor's recommendation, you may be able to undergo fertility preservation and treatment. Fertility preservation can be used prior to reassignment therapies and treatments.

Single females or same-sex female couples

Intrauterine insemination (IUI)—Sperm is placed inside a woman's uterus to facilitate fertilization.

Reciprocal or partner In Vitro Fertilization (IVF)—If both partners are covered, reciprocal IVF allows one partner to supply the eggs for IVF, while the other partner can be the gestational carrier of the pregnancy.

Adoption and surrogacy coverage

Receive up to \$10,000 for adoption or surrogacy expenses, including legal and attorney fees, adoption or surrogacy agency fees, egg or sperm-donor screening costs, and more!

Build Resilience and Manage Stress

Counseling sessions

Find support for personal, emotional, and financial issues through the **Optum Employee Assistance Program (EAP)**.* The EAP provides counseling and consultation services, including convenient virtual mental health visits.

Stress management

meQuilibrium is a personalized online resilience program that helps you deal with challenges, solve problems, and live a happier and more productive life. Scientifically backed activities and meditations will help you sleep better—and feel less stressed.

*Employees located in Nebraska have access to EAP services and virtual mental health visits through Arbor Family Counseling.

Benefits for the Whole You. We're here to support you, no matter what life throws your way. Your health, your finances, your family—your overall well-being. Visit paypalbenefits.com for more information.
